SATURDAY, Aug. 27. One of the best means of avoiding Summer complaint among infants and young children, among whom bowel troubles are apt to be rather prevalent at this time of year, is by the use of a gentle corrective and laxative medicine, which will avail to carry off any waste or irritant matter which remaining in the stomach or bowels is often the direct cause of these troubles which are the terror of mothers of young children. Such a mild corrective and laxative is to be found in Babys Own Tablets. which we have in stock just now, and which it is well to keep available for use at the first sign of summer complaint or diarrhoea, Price 25 cents
