Were the scrofula sores on my poor little boy, sickening and disgusting. They were especially severe on his legs, back of his ears and on his head. His hair was so matted that combing was sometimes impossible. His legs were so bad that sometimes he could not sit down, and when he tried to walk his legs would crack open and the blood start. Physicians did not effect a cure. I decided to give him Hood's Sarsaparilla. In two weeks the sores commenced to heal up; the scales came off and all over his body new and healthy flesh and skin formed. When he had taken two bottles of

SUMMER SPORTS.

The London Lacrosse Club Completes Its Organization.

Possibility of an International College Boat Race on the Thames—The Ingersoll Dufferins with the C. L. A.—College Football Experts Revise the Rules.

LACROSSE.

THE LONDON CLUB.
Lacrosse in London has been dormant, if not practically dead as a sport for a number of years, but from present indications that health-giving pastime is going to meet with a decided revival this summer.

Several old-time players of renown have lately interested themselves, and last week a club was formed and officers elected. An adjourned meeting was held in the Grigg House parlor last night to complete the details of formation and to get down to business. The meeting was well attended, and everyone appeared to be brimful of enthusiasm. It was decided to affiliate with the C. L. A. and to begin practice at once. Those who have sticks will commence to-night on that scene of many a well-played game of lacrosse—Queen's Park. Later on, when the park will be used, and all games will be played there. The membership fee was fixed at \$2. Mr. Art Stiles resigned the position of secretary and Mr. J. A. Tume was elected to the vacancy.

It was made to interest the citizens, more especially the merchants, in the enterprise, and to that end Messrs. Minchinick, Tume, Dreesen, Ferguson (James) and McAlpine were appointed a committee.

Messrs. Skye and Franks were appointed a committee on suits. These different committees will report at the next meeting which will be held at the call of Secretary Tume. Among those present were Capt. Joe McPhillips, "Nip" Tume, J. Minchinick, George Wilson, E. Skye, J. G. Franks, W. C. Latimer, B. Cleveland, H. Snell, Chas. Caswell, W. H. Wilson, Campbell, McLean, H. Leys, James Ferguson, Alex. Ferguson, Robt. McAlpine, Harry Dreesen and Charley Swaisland. Among those who have expressed the intention of joining are John Brown, Dave Mills, Fred Beltz, W. Woods, G. O'Neill, Joe Heintzman, Geo. Angus, George Shaw, Walter Stevens, Corbin Weid, H. York and others.

ATHLETICS.

POSSIBLE INTERNATIONAL COLLEGE BOAT RACE.

Boston, April 23.—It is understood that Oxford has sent word to both Harvard and Yale that Oxford would be willing to row the winner if the crew will go to England. The proposition briefly is that the winning crew here shall keep in training after the race at New London, even before that, if it is thought best, that the race shall be rowed on the Thames by September, by which time the American crew ought to be

in good shape. If the Yale and Harvard crews will agree to these conditions, Oxford will get in training in time for the race.

OFF FOR NEW YORK.
Toronto, April 23.—Joseph Wright and J. J. Ryan, of the Toronto Rowing Club, left at noon to-day for New York on the way to England to row in the Henley royal regatta. They were given a hearty send-off at the station by a large number of Toronto friends.

FOOTBALL.

REFORMED RULES.

New York, April 23.—The task of revising the playing rules of the intercollegiate football is practically completed. Saturday the "reformers" met once more and were in session nearly three hours. The former action of the committee was ratified excepting that it was decided to allow the scoring to remain as at present. A very important change adopted relates to the playing time. The present playing time was reduced to 35 minutes. This is due to the belief that the open kicking game likely to be in vogue this season will be too much of a strain if prolonged 45 minutes. Another point settled is that the ball must be put into play after going "in touch," either by a kick or by a down from a point in the field of play at least five yards and not more than fifteen yards from the point at which the ball went into "touch." This was done to prevent the almost unavoidable roughness of the play as the rule now stands. The rules formed by the experts will now be codified. A final meeting will be held Tuesday, May 1. Their report will then be submitted and promulgated.

THE TURF.

The new jockey club will pass a rule prohibiting jockeys from owning horses. The new rule will affect many of the leading jockeys in the east. Among those who own horses are McCafferty, Garrison, Bergen, Doggett, Fitzpatrick, Griffin, Donohue and Isaac Murphy. The man at whom the rule is probably aimed, and who will certainly be most affected by it, is McCafferty.

LACROSSE.

INGERSOLL WITH THE C. L. A.

The original Dufferins, of Ingersoll, after an absence of several seasons, have decided to enter the C. L. A. if a district can be formed for them, and will be under the management of the I. A. A. A. The following are the officers for the coming season: Honorary president, M. T. Buchanan; honorary vice-president, S. King; president, E. E. Dundas; vice-president, T. Gayfer; captain, Jas. Vance; secretary, treasurer, L. W. Norman; committee, H. C. Sumner, C. O'Neill, F. Gayfer, W. G. Gmel.

CYCLING.

DATES OF THE GREAT RELAY RIDE.

It seems to be the almost unanimous opinion of wheelmen along the relay line that June 15 and 16 should be the dates of the great relay race. It has been shown that at that time the roads are likely to be in excellent condition, the riders in good form, and the moon to be sufficiently bright for those who will require to ride during the night. A later date would be too near the C. W. A. meet for flyers who desire to take part in both the relay and the meet. Also, road improvement commences in the latter part of June in many localities, which would militate against fast time. An earlier date would be too far distant from the C. W. A. meet to benefit that event as much as desired. With only an exception or two the clubs in all districts en route have recorded their preference for June 15 and 16. On these dates, therefore, the Sarnia to Montreal relay ride will evenuate.

The first courier bearing the packet will be dispatched from Sarnia on the morning of Friday, June 15; the last pair of swift packet bearers will dash into Dominion Square, Montreal, in the afternoon or early evening of Saturday, June 16.

THE TRIGGER.

The rifle competitions at the Bieleys ranges this year begin on July 9, and preparations for the meeting are in progress.

CRICKET.

ANNUAL MEETING OF THE C. C. A.

Toronto, April 23.—The second annual meeting of the Canadian Cricket Association was held here this evening. The election of officers resulted as follows: Honorary president, Lord Aberdeen; president, Major Cosby; vice-presidents, Louis Coste (Quebec); K. Martin (Hamilton); C. R. Wilson, Winnipeg; W. A. Henry, Halifax; honorary secretary-treasurer, John E. Hall; honorary assistant secretary, H. F. Petman; committee, A. Gillespie, Hamilton; W. Wells, Chatham; George Lyon, Rosedale.

ATHLETICS.

LOUISIANIANS LAUGH.

New Orleans, La., April 23.—The Olympia Club has won a big victory in the Supreme Court, which to-day affirmed the decision of the Lower Court, the result of which means that the club may give fights again.

GRIFFO VS. GRIFFO.

Boston, April 23.—Fully 2,500 people saw the contest between Johnny Griffin, of Brockton, and Alfred Griffin, known as "Young Griffo," of Australia, the noted featherweight. Griffin weighed in at about 130 and Griffo at 135. Griffin had decidedly the best of the match, and it was the general opinion that he could have ended the fight in the fifth round had he been so disposed. Both men were on their feet at the end of the round, and according to the agreement if such should be the case the match was to be declared a draw.

THE CUE.

CHAMPION OF CANADA.

Montreal, April 23.—James Capron, of Galt, is still champion billiard player of Canada. He defeated Thomas, of Montreal, to-night by 500 to 415. Capron's average was 62 and biggest run, 32. Thomas' highest run was 32, his average 53. The match was for the championship and \$500. About 200 people were present.

Coxey on the Platform.

New York, April 23.—A special meeting under the auspices of the People's party in their newly established headquarters at 50 East Tenth street was held to-night to receive Gen. J. S. Coxey. In concluding his speech Coxey said: "These Washington people are criticizing me for taking people to Washington to starve. I guess they can starve there just as well as in Ohio and Illinois. If enough of them die there the stink will be so great that they will grant what we want to get rid of us. You see we can hit them in a great many ways." Then a collection was taken up for the benefit of Coxey's army and the meeting adjourned.

Mrs. Wigle died at Sandwich Monday morning, aged 52 years. The interment will take place at Kingsville.

A Simple Remedy.

Many people do not like to take medicine; and who can blame those who have had to undergo the nauseous treatment of bitter purgatives and tonics. The new method of treating Sick Headache, Biliousness, Indigestion, etc., by using Eberley's Liver Lozenges, is so simple that no one surely can object to it. These Lozenges are sold at all drug stores at 25 cents a box, or 5 boxes for \$1.

IN LABOR'S FIELD.

The Coal Miners' Strike Not as General as Predicted.

Hamilton Shoe Operatives' Difficulty Amicably Settled.

The Joggins (N. S.) Coal Miners Quit Work—Other Labor Troubles.

PANA, Ill., April 23.—The American miners of this place decided yesterday not to join the strikers, and only half of the foreigners voted to go out.

BLUEFIELD, W. Va., April 23.—Patrick O'Brien, the labor agitator from Pennsylvania, who with others from Ohio have been trying to induce the 25,000 miners of the Flat Top region to strike, was killed yesterday at Turkey Ridge by an enraged gang of Hungarian miners.

COLUMBUS, O., April 23.—President John McBride, of the United Mine Workers, received reports from a number of his lieutenants in the different coal fields to-day. McBride revises his figures as to the number of miners out to-day as follows: Alabama, 8,000; Tennessee and Kentucky, 5,000; West Virginia, 2,000; Indiana, 5,000; Ohio, 26,000; Illinois, 27,000; Pennsylvania, 50,000; Indian Territory, 2,000; Michigan, 300; Iowa, 1,800.

CHARLESTON, W. Va., April 23.—The various mines, with three or four exceptions, in the Kanawha district, are running full blast.

BELLEVILLE, Ill., April 23.—The coal miners of Belleville district have determined not to strike.

HAMILTON, Ont., April 23.—The 200 employees at J. McPherson & Co.'s shoe factory returned to work this morning, the strike against a reduction of wages having been amicably adjusted.

MONCTON, N. B., April 23.—A general strike has been ordered in the Joggins coal mines. The facts of the case have not been ascertained.

HAMILTON, April 23.—About 25 persons employed in the Canada Colored Cotton Company's mill on McNab street have struck against a reduction in wages. The men were making about \$1.25 a day when working full time. On short hours the dyes would be able to make only 75 cents per day.

PHILADELPHIA, Pa., April 23.—Four hundred and fifty Italian street cleaners struck this morning for 15 cents an hour. They have been paid 10 and 12 cents an hour. An attempt was made to break the strike by hiring 150 non-union men to work. One hundred of the strikers, with female reinforcements to the number of 200, and several hundred other sympathizers attempted to rout the "scabs." The women were armed with broomsticks and many of the men had clubs, but the police dispersed them.

KNOXVILLE, Tenn., April 23.—The situation in the mining regions of the south is more serious than at first announced. Three thousand men around Jellico quit work Saturday and Sunday at Oliver Springs.

OTTAWA, Ill., April 23.—On Saturday the La Salle and Peru miners voted to remain at work. This morning a delegation of 2,000 men from Spring Valley and other towns marched into La Salle and Peru and prevented the men from going to work.

UNIONTOWNS, Pa., April 23.—There was no sign of a strike in the south end of the coke region to-day. In the adjacent river region, however, work was suspended at every plant in the fourth pool.

SCOTTDALE, Pa., April 23.—Forty-five delegates, representing every works in the coke region, met in convention here to-day and voted to join in the general strike. Some 200 men at Frick's Standard Works joined the United Mine Workers' general strike to-day.

POLITICAL POINTS.

A Canadian Cockey Army Suggested—Liberal Club Organized at Madoc—Other Political News.

HAMILTON, April 23.—There was a good attendance at the meeting of the Reform Association held in the Young Men's Liberal rooms this evening for the purpose of selecting a standard-bearer for East Hamilton in coming Provincial elections. The choice lay between Mr. J. T. Middleton and ex-Ald. Jas. Dixon. The convention decided on J. T. Middleton.

The nomination of Hon. J. M. Gibson, M. P. P. for the west division, will be delayed until after the prorogation of the Legislative Assembly.

NOTES.

At a meeting of Dominion Assembly, Knights of Labor, held on Friday night, a letter was read from a member of Coxey's army. A discussion followed, and several of the speakers declared that it was necessary to send an army of the same kind to Ottawa to demand the abolition of the protective tariff.

A very promising Liberal Club has been formed in Madoc, North Hastings, with E. D. O'Flynn, an old standard bearer, as honorary president and an energetic staff of officers. A meeting will be held on May 1 to form a general Liberal Association for the riding.

A prominent resident of the Territories says that he is informed of very high authority that the coming election to the Dominion House of Commons will take place in the summer.

Mr. J. C. Stokes has declined the Conservative nomination for North York. This leaves a pretty clear field for the sitting member, Mr. E. J. Davis, though it is possible the Patrons of Industry may put up a man.

THE BROWNIES.

The history of the Brownies, written by Palmer Cox, has been read by millions of young people with intense delight. The travels and doings of these little people have been told in such a bright, pleasant style, that few children can ever forget the various adventures and spicy incidents so humorously recorded. Boys and girls, and very young children, too, have their likes and dislikes when mothers find their little ones require treatment for coughs, hoarseness, sore throat and croup. The children all love Harvard Bronchial Syrup, because it is so pleasant to the taste. This wonderful remedy, so prompt and effective in its action, is taken by the young with pleasure, and has saved many a life. The old fashioned and nauseous remedies can never be administered to the young with safety. Harvard Bronchial Syrup leads everywhere, and is highly recommended by all physicians. Mothers should have a supply on hand for emergencies.

FIERCE MRS. FESTO.

End to be Knocked Down Before She Could be Arrested.

UNIONTOWNS, Pa., April 23.—The sheriff to-day attempted to arrest Mike Festo, a desperate character, for stoning workmen, and a force of deputies, 35 in number, were sent to Festo to capture him. The deputies were met by a mob of infuriated women led by Mrs. Festo, the latter with an axe in her hand. Festo barricaded and barred the entrance with a poker and butcher knife. The deputies were stoned and beaten. A charge with clubs was
