PREDICTS END OF WOFLD

This Man Starts Out to Convert New York Before 1908. York, Pa., June 14. - Lee Spangle a merchant of this city, who for 1 years has been predicting the end of the world in June, 1908, made some startling prophecies today. Three months before their occurence, Spangler prophesied the Baltimore fire, the death of Mark Hanna and the breaking out of the war

He has sold out his large store i this city, and will shortly go to New York to preach his prophecies. Spangler said today: "The Lord has directed me to go to New York to dence and infirmary, corner King and Wellington. 'Phones 688 and 278. Treatto New York, then the mission tha God has intrusted to me will be a complished. New York is the model city of the United States. Not a mode of virtue, but of sin. If I can conver New York, the conversion of the na tion will follow." "The war in the east will be

brought to a close before the middle

the east. Last April he predicted

of autumn, when Japan will have conquered Russia. "War will shake this nation, Civil war. It will begin in the households, Divisions in a household of five, two against three, and three against two, and there will be many traitors. "A great calamity in the shape of fire will visit Philadelphia during the present summer. While the property loss, which will reach millions, will not equal that of the Baltimore fire, the loss of life will be extensive. This fire will come at night. "Before the dawn of the year 1907. a great drought is to prevail in this

STORY brick, with finished attic, stone foundation, state roof, 4 bedrooms on Ocean. "My prediction of a cool summer is ception hall, dining-room, library, kitchen and summer kitchen; modern conveniences, 3 grates and mantels; lot 84x135 feet.

The experts of the United States Agricultural Department have a theory that the degeneration of the modern culture has been based upon seed originally imported from Arabia, and that ov getting back to the wild coffee plant, the habitat of which is the Province of Kaffa, West Africa, a new variety may be created, the value of which will be incalculable. A supply of Kaffa coffee is to be secured through King Menelik.
