

ANGUS MACGREGOR WAS KINCARDINE PIONEER

Funeral of Prominent Cattle Breeder Was Held To Willow Creek Cemetery.

[Special to The Advertiser.]
Kincardine, Oct. 23. — The funeral took place today at Willow Creek Cemetery in Bruce Township, of Angus MacGregor, aged 73. He was buried beside several of his sons. Besides his wife, he leaves four sons.

He was born in the Township of Dunwich, County of Elgin, in the year 1840, and came to the County of Bruce in 1853. He was the eighth son of a family of twenty sons, and when the Township of Bruce was opened for sale, his father (Richard MacGregor) bought 200 acres of land for himself, and a like quantity for each of his boys, making in all twenty-six hundred acres.

There is only one of that large family now living, Archie, in British Columbia. Deceased was the first man to drive a yoke of oxen from Kincardine into the wilds of the Township of Bruce.

His father was the first man to build a sawmill in that section, which was carried on in later years by his son Angus.

Deceased was an extensive stock breeder. He could never be prevailed upon to accept any public office. The only office he ever consented to fill was that of Deacon in the Baptist Church, of which he was a member for thirty-nine years.

CLAIMS BUSINESS IS LOOSELY CONDUCTED

Kincardine Commissioner Scores Water Board For Making Payments Too Soon.

[Special to The Advertiser.]
Kincardine, Oct. 23. — At the regular meeting of the water and light commission, Mr. Wood brought up the matter of the secretary's duties. He understood, he said, that supplies were to be kept on hand, and sold to those requiring them. He also called in question certain actions of the committee in passing and carrying on costly business without bringing the matters before the board.

He thought that there was too much loose business done by a part of this board that would not be tolerated in any properly-conducted business. He had a right, he said, to know what they tried to keep away from him.

He asked about coal that had been obtained by a local business firm from a boatload of coal purchased by the commission, and if the commission had been paid for the coal got by the firm named.

He was informed that the firm had not paid for the coal it got, but that it would be charged interest.

He asked if any company had been paid from whom the coal was bought. "Yes, long ago," was the reply. He said he had never been notified of the purchase, and was told that he never brought the matters before the board.

Mr. Wood asked if those owing money for water and light previous to the close of 1912 had paid, and was told that most of them had. He asked about one six years behind, and was told that he had paid for this year and had promised to pay the rest.

The finance committee recommended the payment of the following accounts: Canadian General Electric Company, \$113.95; Farranti, Limited, \$78; Holler Inspection and Insurance Company, \$46.50; James Robertson Company, \$14.31; John Inglis Company, Limited, \$1,648.25. The John Inglis account was objected to by Mr. Wood, who claimed that the money was not due until the pump, for which this was the agreed price, had been fully tested and passed by the engineer, as was fully mentioned in the agreement. He asked who acknowledged the check, and the secretary said he had, but that he was instructed to do so.

Mr. Wood said that they were here in the interests of the town and that there was not a man on the board who would do his own business in such a loose manner.

FINED \$20 FOR BEATING GIRL

Farmer Was Warned by Magistrate Never To Repeat the Offence.

[Special to The Advertiser.]
Exeter, Oct. 24.—Mr. George H. Wright, a farmer of Usborne Township, was arrested Wednesday by Constable W. J. Bissett, of Exeter, on a warrant sworn out before Magistrate W. D. Saunders by Mr. Hodgins, of Toronto, agent for the Margaret Foster Home for Girls in Peterboro.

Some three weeks ago Mr. Wright secured from the home Rose McCall, a girl of 17. He was charged by the neighbors with unduly beating the girl.

The case was tried before Magistrate Saunders on Wednesday afternoon. Barrister T. H. Dickson appeared for the defence. The warrant charged the defendant with aggravated assault. Mr. Hodgins agreed to change it to common assault, which was done, and the defence pleaded guilty. Mr. Wright was fined \$20, and ordered to pay all charges and costs connected with the trial. He was further warned by his lordship never to be guilty of such demeanor again, as the court will show no leniency.

MAGISTRATE RETIRES AFTER 52 YEARS

Joseph Barker Has Handled Many Thousands of Cases.

[Special to The Advertiser.]
Kincardine, Oct. 23.—Mr. Joseph Barker, who has been a justice of the peace for 52 years, and has had most of the cases that have been tried here, amounting to many thousands— from assaults and batteries to violations of the liquor laws and statutory and municipal bylaws—has given up his position, owing to impaired hearing.

Mr. Barker has been the dread of the vandals, the petty thief, and the liquor element. He is still clerk of the division court.

In all the cases coming before him only three have been reversed by a higher court.

If Mr. Barker had served half the

time as a judge, he would have been drawing a pension, but as he has been only a magistrate, giving decisions on intricate cases, he is allowed to retire in his old age without any acknowledgment.

BACKACHE IS A DANGER SIGNAL

Kidney Troubles, Bladder Disorders, Rheumatism, and Serious Diseases Follow.

There are other symptoms, such as pain in the region of the kidneys, nervousness, dizziness, tired and worn-out feeling, weak bladder, or urinary troubles, which are just as dangerous, for the slightest kidney derangement, if neglected, may develop into the deadly Bright's disease, dropsy or diabetes.

It is not only dangerous, but needless for you to suffer and endure the tortures of these troubles, for Croxone promptly ends all such misery.

There is no more effective remedy for kidney and bladder trouble and rheumatism, than Croxone, because it reaches the cause, it soaks right into the kidneys, through the walls and linings, cleans out the clogged-up pores, neutralizes and dissolves the poisonous uric acid and waste matter, that lodge in the joints and muscles and cause those terrible rheumatic pains, and makes the kidneys filter the poison from the blood and drive it out of the system.

Three doses of Croxone a day for a few days is often all that is ever needed to relieve the worst backache or overcome disagreeable urinary disorders.

You will find Croxone different from other remedies. It is so prepared that it is practically impossible to take it without results. An original package of Croxone costs but a trifle, and all druggists are authorized to return the purchase price if it should fail in a single case.

On Irish Stew

Irish Stew.

Put in a stewpan twelve peeled potatoes, sliced the thickness of a penny, lay them each with salt and pepper to taste. By successive layers half fill your pan. Then take four slices of mack of uniform size, lay these on the potatoes and fill up with additional layers of potatoes, onions, etc., as before. In 1 1/2 pints of water boil 1 1/2 ozs. of Edwards' White Vegetable Soup for 30 minutes, add it to the contents of the stewpan, and simmer all together gently for two hours.

Mrs. Edwards comes from Ireland—what she doesn't know about Irish stews isn't worth knowing at all. You can make Irish Stew as well as Mrs. Edwards does, if you follow the simple recipe above. But be sure to use Edwards' Soup—be certain to boil it for half-an-hour. No bother. Come—give them an Irish Stew for dinner to-day.

EDWARDS' SOUPS

But you MUST boil them for half-an-hour—worth it. 5c

Edwards' Soup is good as a soup by itself, it is good as a strengthening of other soups; good as a thickener of gravies; good for babies, good for stews—no pack and 1/2 oz. goes to be specified by insufficient boiling. Of all wholesale and retail grocers, etc., the same cheaper.

Three varieties—Brown, Tomato and White.
