Welsh Believes Ritchie Is Most Dangerous Man GOALS ON SEAFORTH

Tunnel Towners Beat Dot Present Lightweight Champion Says He Has More Respect For Prowess of Former Title-Holder Than Any Other Fighter - Says Shugrue Lacks Punch.

Grand Rapids, Mich., Feb. 14.—Wille Ritchie, former title-holder, is the only man high up in the lightweight division whom Freddie Welsh, the champion, believes dangerous.

Welsh is in Grand Rapids for his bout tomorrow night with Jimmy Anderson, and made that statement today.

"Ritchie is dangerous because he's aggressive, because he knows how to box, and because he has a wallop," asserted the champion, "When you combine these three qualities you have a fighter who is always dangerous. Ritchie I hold in greater respect than any other fighter in the world."

Welsh was asked why he does not fear Charley White, Joe Shugrue, Young Griffith or Milburn Saylor.

"None of them are dangerous," smiled Freddie. "Take them one at a time. There's Charley White. He is not at all aggressive, and he is not scientific. He may have a wallop. He says he has, but I have never felt it. He will be ready to defend his title in a long bout. "Any time, any time they match me," declared the champion.

Practically the entire seating capacity of the Coliseum has been sold out in advance for tomorrow's fight, according to Manager Morrissey.

stages, Quebece furnished the surprise of the week-end hockey by defeating the Wanderers at the Arena on Saturday night by a score of 6 to 4. The defeat of the Wanderers was not due to a reversal of form, but no matter how fast they played they were always shaded by the Habitants and particularly in the first period.

Wanderers evidently underestimated the ability of their opponents, who had only won one of their previous scheduled road games. The locals allowed them to get the jump on them in the first ten minutes, which spelled defeat, as they were mever able to overcome the lead, although they were within ballenging distance during the final session. KANSAS CITY FED TEAM WILL GO TO NEWARK

NEW YORK, Feb. 14.—Patrick Powers and Karry Sinclair, owners of the floating Kansas City Federal League franchise, have definitely decided to locate their club in Newark, it was declared last night by a man prominent in Federal League counsels. This, it is said, however, does not necessarily mean that New York will not be invaded by the Federals this year. It was declared on apparently good authority that another Federal League franchise will also be shifted within the next ten days, and that its destination was likely to be Upper Manhattan, or the Bronx, in New York City, or Cleveland.
