## CAMPBELLTON STILL TO THE FRONT

Re-Building Steadily Progressing and Many up-to-date Structures in Course of Erection.

The building inspector's report for the month of July shows that the building boom is still holding out, and that we can congratulate ourselves that there is no danger of Campbellton dropping back. We are going forward and our rate of progress is being well maintained. During July 33 building permits were issued, the total value being \$112,900, of these buildings 26 are wood and 7 either brick or concrete.  
 For comparison the figures for May and June are as follows:— In May 29 permits total value \$168,700. In June permits total value \$111,000.  
 Since the building inspector Mr. Reid took over the duties he has issued 179 permits, to the total value of \$593,440.  
 Well may we say let Campbellton flourish.

## YOU NEEDN'T DESPAIR

Here's an Offer that Should Interest Sufferers of Skin Irritation.

First of all we want to explain that the remedy we are about to tell you of carries out its money back for the mere asking to anyone not thoroughly pleased with its use. That should unquestionably establish the sincere faith we have in it.  
 Parasites or germs cause eczema and eczema is probably the most prevalent cause of all skin ailments. To overcome them, the remedy must of necessity destroy or remove the parasite or germ before relief can be obtained.  
 Possessing remarkable antiseptic, germicidal, cleansing, soothing and healing power, the curative value of Rexall Eczema Ointment is very pronounced in the treatment of eczema and allied skin diseases, whether of the dry scaly sort, the weeping type, where there is a flow of ill-smelling excretion, or the intermediary kind, such as pimples, blotches, discolorations, ringworm or acne. It is very useful for treating hives, nettle rash, insect bites and wounds. It is ideal for the skin ailments peculiar to children.  
 Rexall Eczema Ointment is grayish white in color, has a pleasant odor, and is very cleanly for use. If you are a sufferer of skin irritations or eruptions in any form whatever, we urge you to try a box at our risk. At the mere hint of dissatisfaction you may have your money back. Two sizes, 50c, and \$1.00. Remember, it is only sold at our store—The Rexall Store.—Thos. Wran.

Premier Hazen was a passenger on the Limited last Friday and in conversation with a reporter stated that one of the things which impressed him greatly on his return from his coronation trip was the marvellous development of Campbellton which is now practically a new town.

## Seemed to Give a New Stomach.

"I suffered intensely after eating and no medicine or treatment I tried seemed to do any good," writes H. J. Youngsters, Editor of The Sun, Lake View, Ohio. "The first few doses of Chamberlain's Stomach and Liver Tablets gave me surprising relief and the second bottle seemed to give me a new stomach and perfectly good health." For sale by all dealers.

## BASEBALL GOSSIP

A the News of the Game

Owing to the number of postponed and drawn games a new schedule has been put in operation.

Last week's games being omitted the remarks on the games must be very short, one game however standing out prominently, that of the Town versus I. C. R. This was with out doubt the best game of the season, refereed by Delaney, and enjoyed by a good following of the free and enlightened electors and sweet young things. A game with only 2 errors on each side, and the score ending 2 to 1 was some half game, believe us.

## THE GREAT GAME

In the Town versus the I. C. R. game played 31st July it would be unfair to make comparisons between any of the players the class of ball served up being away ahead of any thing we have had the pleasure of seeing so far. Both pitchers played steadily but Shirley was found for 7 hits whereas the I. C. R. could only connect with Diamonds curves four times. No extra charge was made for this game. Details herewith.

## REGATTA AT GASPE ON THURSDAY

Excursion Down The Bay on R. M. S. Canada Was Very Well Patronized.

For the regatta at Gaspé which took place last Thursday the steamer Canada carried a fair complement of passengers who enjoyed the celebration. By many who were enjoying their first trip, the scenery was a revelation, ever changing, and always striking the spectator with some new note of beauty, from the fertile slopes of Bonaventure to the rocky fastnesses at Percé Rock, and the impression which remains is, that the peninsula has a beauty all its own, and the pity is that it is so much unknown. The owners and officials of the steamer certainly succeeded in making the travellers feel at home, and although but praise can be given for the kindness and attention which is every-where shown on board the steamer, and to all in search of the sweet environment of the beauties of this old "Mother Earth" of ours, they could not do better than take the trip per the Canada and view on the voyages all Nature's fairest sights. Bold rocky headlands battling with the ever-restless sea, running little villages hidden away among masses of greenest foliage, well tilled farms and pasture lands restful to the eye and sweet to the soul. These are the things which beautify life and make living a pleasure and the means lie to our hand. If you haven't thought of the trip, do so now and if you have enjoyed the pleasure of the voyage once, do it again.

The owners of the Canada are purposing running a cheap excursion to Gaspé and return, about the latter part of September, and they hope to make it an annual affair. Don't miss this chance of seeing Gaspé the beautiful.

## MACKEN IE-MACBETH

At Tide Head on the evening of July 24, a very pretty wedding took place at the home of John MacBeth, when his sister, Annie Macintosh, was united in matrimony to Arthur Alexander MacKenzie of Campbellton. The ceremony was performed by the Rev. P. J. Stackhouse, formerly of Campbellton, but now of Amherst, N. S.

## ECZEMA WAS SPREADING

This D. D. D. Cured It.

This is a translation of a letter written in French, on April 16, 1910, by Mr. Dan Babeneau, Cap Lumiere, N. B.  
 "I had been suffering with eczema for about 6 months, and had consulted several doctors who did not do me any good. The disease was spreading and I was most uncomfortable. I thought I would go crazy. All my friends were telling me I would lose my hands unless I found the right treatment.  
 One day I read in the Messenger about your D. D. D. treatment and asked for a sample. It did me so much good that I immediately ordered two large bottles. It took eight bottles altogether to cure me of this terrible disease. I shall never be without a bottle of D. D. D. in my house."  
 The records of ten years of complete cures of thousands of the most severe cases show that D. D. D. stands today as the absolutely reliable eczema cure.  
 I write to day for free trial bottle to the D. D. D. Laboratories, Dept. C. D., 40 Colborne St., Toronto. It will give you instant relief.—A. M. G. McDonald druggist Campbellton.
