Markets All Around Dull—No Improvement in the Tone of the British Markets—Local Stock Exchange.

WEDNESDAY EVENING, April 23.

If the activity of the past few days continues this week will prove by all odds the liveliest on the local stock exchange this year. As was the case yesterday, bank stocks were lively and quotations were well maintained in most instances. Montreal xd was ¼ lower, with sales of 35 shares, 220 being paid for 5 of these. Ontario was ½ higher at 133½ asked and 129¾ bid, with sales of 36 at 133. Toronto was 1 weaker. Merchants' 2 stronger at 147 asked and 146 bid. Commerce was unchanged, although xd advanced ¼, with sales of 180 at 134½. Buyers of Imperial increased their bids ¼, and 10 shares were sold. Dominion took a jump of 1½, and buyers showed a willingness to pay 1 increase; 120 shares changed hands at 230½. In miscellaneous stocks, British America was wanted at ¼ rise. Sellers of Western Assurance advanced 1¼ to 145, with 143¾ bid, and 100 shares sold at this figure. Northwest sellers conceded ¼ and buyers bid 1 over previous offer. Sales were made of 100 at 81½ and 8 at ¼ better. Lon. & Can. was 1 weaker; otherwise loan stocks were unchanged, without transactions. Total sales of the forenoon 579 shares, covering 14 deals, and in the afternoon there were 8 transactions, aggregating 229 shares. Bank stocks in the afternoon were weaker, Montreal declining ½, Ontario ¾, Merchants' 1¾, Commerce ¼, Dominion ¼ and Imperial 1. The result was small transactions in nearly all these shares. Dominion was the most active at 229¾ asked and 227½ bid. Western Assurance was ¼ lower at 143¾. The only loan stock quoted was Lon. & Can., which was unchanged, with sales of 75 at 127¾.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

It is stated on good authority that there are more cabin passengers bound for Europe this year than there were in 1889. This is due to the growing popularity of a trans-Atlantic trip.

Canadians who intend crossing during the coming spring and summer would do well to engage their cabins now. BARLOW CUMBERLAND, Gen. Steamship Agent, 72 Yonge-street, Toronto.

BOOMING GOODS ON A GLUTTED and overstocked market demoralises legitimate business—resulting always in a break of prices and ultimate loss to the owners. The market for vacant lots in the distant outskirts of Toronto has reached this undesirable position. In any line of investment the purchasing element is always sensitive and responds quickly to the ruling touch of the market—which at present is flooded with this class of property—until buyers decline to sink money in it.
