Dear Sir,—It is now about three months ago since I first ntoiticed that a cure of my rupture was being effected by the use of one of your Wilkinson Trusses, and now I am fully convinced that the cure is both complete and effectual. I have on several occasions within the last few weeks taken long walks without truss or support of any kind, and have every conlidence that my rupture, which, as you are aware, was of a very severe description, is now permanently healed, and I

As is generally known, the woman in Wilmette is the fourth "wife" of H. H. Holmes. She was married to him in Minneapolis by an Episcopal clergyman, 11 years ago. His many-sidedness in the commission of crime is something before which Dr. Buchanan would doff his hat, were he still on earth. As the head and front of the A B C Copier Company he incurred an indebtedness of \$100 to the Safeguard Account Company of this city. The account was placed in the hands of Kerr & Barr, 189 LaSalig-street, for collection. Holmes told them to present the bill to Thomas B. Bryan. After they had done so they wrote to the A B C concern.
