WHEN TO WED.

Marry when the year is new,
Always loving, kind and true.
When February brides do mate,
You may wed, nor dread your fate.
If you wed when March winds blow,
Joy and sorrow both you'll know.
Marry in April when you can,
Joy for maiden and for man.
Marry in the month of May,
You will surely rue the day.
Marry when June roses blow,
Over land and sea you'll go.
They who in July do wed,
Must labor always for their bread.
Whoever wed in August be,
Many changes are sure to see.
Marry in September's shine,
Your living will be rich and fine.
If in October you do marry,
Love will come, but riches carry.
If you wed in bleak November,
Only joy will come remember.
When December's snows fall fast,
Marry and true love will last.
—From What-To-Eat.

O'NEIL—FRASER.

A pretty home wedding took place at
11:30 a.m. Tuesday, June 11th, at the
home of the bride's parents Mr. and Mrs.
John Fraser, 16th con., Bosanquet, when
their second daughter, Cecile Kate was
united in marriage to Mr. Elmer O'Neil of
Warwick. The ceremony was performed
by the Rev. H. Currie of Theodora, only
the immediate relatives of the bride and
groom being present. While the wedding
march was being played by Miss Isabelle
Fraser, sister of the bride, the young couple
unattended, took their places beneath an
arch of evergreens and apple blossoms.
The bride looked charming in a dress of
pearl grey tulle and carried a bouquet of
lilies of the valley and maiden-hair fern.
After congratulations the party repaired to
the dining room, where a dainty lunch was
served. The house was tastefully decorated
with flowers and ferns. The happy couple
left on the afternoon train for Toronto.
Niagara and other points east, amidst
showers of rice and good wishes. The
bride's travelling costume was navy blue
velvet with waist of net over white silk, and
hat of grey silk braid trimmed with flowers
and blue ribbon. The presents were many
and beautiful, showing in what high re-
spect the young couple are held. The bride
will be much missed by her many friends
on the 16th and lake road.

Barely Lived Through It.

A terrible experience had Edw. J. O'Con-
nor of Sault Ste. Marie. "From boyhood,"
he writes, "I have been a constant sufferer
from Asthma and catarrh. My nose and
throat was almost stopped up and I had
droppings in the throat. When attacks
came on I thought I couldn't live through
the night. I would sit up gasp for breath
and endure great distress. Catarrh made
me entirely well." No stronger proof
is required. Asthma is curable, so is cat-
arrh. Use "Catarrhazone" and your re-
covery is guaranteed. Two sizes, 25c. and
\$1.00 at all dealers.

Generous Giving.

Those whose hearts have been moved by
the recent terrible distress in China will be
glad to learn that the China Famine Fund
monies cabled by it for such purposes,
one fund the Armenian Relief Fund, alone
amounting to over \$15,000. The amount
of work and expense involved in receiving
acknowledgments and forwarding these large
sums of money is very much greater than
the general public can at all realize, but the
"Witness" has done it gladly and ungrudging-
ly, making no charge whatever for services
or for newspaper space used.

One On The Scotchman.

The following is cut from the New York
Sun:—It happened in one of the Scotch
congregations of Western Ontario that the
men had the habit of using this smokeless
tobacco, which in certain quarters and with
certain people will be a joy forever. Ac-
cording, at the annual meeting it was sug-
gested that the congregation should be
furnished with cuspidors. Now, this is a
comparatively new word, and not found in
the vocabulary of the average Highlander.
One of the old members of the meeting,
believing that the name designated a new
and necessary office in the church, like the
managers, deacons, or elders, arose, and
said:—
Master Chairman, a' will move that
Dugal Cameron an Laughlan McTavish be
the cuspidors of the congregation.
We did not hear that there was a second-
er, or if the men were willing to act.

THOS. SARN, of Eglinton, says: "I have
removed ten corns from my feet with Hollo-
way's Corn Cure." Reader, go thou and do
likewise.

The death occurred at Alvinston at 7
o'clock last Friday morning of Mary Ma-
tilda, beloved wife of Mr. George McIlwain,
after only nine days illness with heart
trouble. Deceased, who was in her 54th
year, was the eldest daughter of Mr. and
Mrs. Joseph Perry of Enniskillen. At the
age of 21 years she was united in wedlock
to Mr. George McIlwain, and shortly moved
to Alvinston, where they have resided ever
since.

REGAIN NOW THE STRENGTH YOU LACK!

Winter Leaves Us Miserable, Ailing,
Weak
BUILD UP NOW.

During the winter the system gets slug-
gish. The blood, polluted with impurities,
deadens the nervous system and dulls the
actions of both liver and kidneys; the
foulness of the system increases and when
spring comes we are limp and useless.

Spring "system cleaning" is a duty, the
body sewers must be flushed out and waste
matter removed—otherwise weakness and
nervousness will surely follow.

Begin by enriching the blood. Make it
pure and nutritious by taking Ferrozone,
its the greatest blood former known to
medical science.

Ferrozone makes the liver fairly sing with
new life, makes the kidneys dance with
renewed vitality, and thus the winter's
accumulation of pollution is expelled.

Of course digestion must be improved,
and probably the stomach will require aid
as well. Ferrozone serves the purpose ad-
mirably. Those who use it, enjoy ap-
petite and digestive powers far beyond the
ordinary.

Fruit Growers' Requests.

Representatives of the Co-operative Fruit-
growers of Ontario waited upon Hon. Mr.
Monteith to ask his assistance in procuring
the service of an expert to give instruction
in packing, so that uniform methods may
be adopted by the various branch societies.
They also asked that the department ap-
point someone to organize co-operative so-
cieties where such do not exist, and to ex-
tend the usefulness of existing and new so-
cieties. Hon. Mr. Monteith said he would
gladly assist them in any way possible
consistent with the work and duties of the
department. The Globe understands, that
the department will confer with the
Dominion department in order to
see that there is no overlapping in any steps
that may be taken to meet the request of
the fruit-growers.

The deputation included Messrs. W.
Dempey; D. Johnston, Forest; Robert
Thompson, St. Catharines; A. E. Sher-
rington, Walkerton.

She Was Wild With Pain.

From Willow Creek, Ont., Miss E. Die-
gel writes: "A few years ago I was drenched
with rain and got lumbago; it was like a
steel rod piercing my back. I also had ear-
ache and was just wild with pain. I ap-
plied bathing soaked with Nerviline to my
ear and rubbed on Nerviline for the lum-
bago. That rubbing relieved and in a few
hours I was well. No other liniment could
do this." It's the penetrating power of
Nerviline that makes it superior to all other
liniments. Nothing beats it, 25c at all
dealers.

Stolen Buggy Wheels Claimed.

High Constable Hughes, of London, says
the four buggy wheels alleged to have
been stolen by Edward Hall, the Muncie
lad, have been positively identified by
J. Edwards, a Wardville farmer, and that
the robe which was also found in Hall's
possession has been claimed by a Muncie
squaw.

A rather humorous phase of the buggy
wheel case is that although the wheels were
stolen several months ago no complaint had
been lodged in reference to them, owing to
the fact that on the night they were stolen
Edwards was getting married and he laid
the disappearance of the buggy wheels to a
propensity for joking on the part of some of
his friends.

Among the many charges to be laid
against Hall are the theft of a buggy, sev-
eral buggy whips, four buggy wheels, and a
new buffalo robe.

INJURIES FATAL.

Wm. Coffey, Forest, Dies From Kick
of Horse.

Forest, June 13.—William Coffey, who
was seriously injured on Saturday night by
being kicked by a horse, died yesterday
afternoon as a result of his injuries.

Mr. Coffey was engaged in a stall at the
Rawlings stables when the accident occur-
ed. He was found lying unconscious with
his forehead caved in, apparently by a kick
of the horse, and with the back of his skull
fractured. No one saw the accident.

Mr. Coffey leaves a wife, one son and one
daughter, all living in Forest.
