## KILLED BY FAST EXPRESS

### Instant Death of Henry Bears, of Watford, Last Saturday

Another fatality, the result of walking on the railway track, occurred on Saturday, when Henry Bears, of this place, was struck by G. T. R. Chicago express, No. 13, and instantly killed. The accident occurred just east of the town. The deceased and Thomas Glenn had been working for Chas. Kelly, 6th line, Watford, and were walking home into Watford on the track when the accident happened. A freight train was approaching from the west at the time, and in moving off the track deceased failed to notice the approach of the express, which struck him, hurling him over 150 feet. He was dead when picked up, his body badly mangled, almost every bone being broken. Glenn was ahead of him at the time of the accident and did not see him struck. There was a stiff breeze blowing from the northwest at the time and it is supposed Mr. Bears did not hear the train until it was too late to get out of the way. It is supposed that he was in the act of getting off the track when the running board of the engine caught him. Dr. Kelly, coroner, ordered the remains to be removed to Harper Bros' undertaking rooms, and a jury composed of E. McCillicuddy (foreman), D. Roche, W. McKercher, A. McDonnell, J. S. Williams, J. Glass, J. H. Hume and J. Bruce, was impanelled. After reviewing the remains an adjournment was made until Tuesday evening, the coroner giving an order for the burial of the remains. The funeral took place on Tuesday afternoon from deceased's residence, Huron Street, to the Meannonite cemetery, 4th line, N.E.R., Watford, the Rev. F. G. Robinson officiating. The pallbearers were J. E. Fowler, D. Roberts, H. Pearce, J. Roche, J. Bruce and J. Stanger. Deceased leaves a widow but no family. He has two brothers living in the Niaga district and three sisters in this district. The adjourned inquiry was held on Tuesday evening when several witnesses were examined, including the crew of train 13. Co. Crown Attorney Buncke conducted the proceedings and a verdict of accidental death was recorded.

## Death of Mr. Henry Waugh

After an illness of about a year's duration, caused by a stroke of apoplexy, Mr. Thomas Henry Waugh passed peacefully away at the family residence, John Street, on Friday last March 28th, at the advanced age of 80 years. Mr. Waugh was born in Niagara and came to the township of Warwick 57 years ago, residing there continuously until about four years ago when he moved into Watford. He was married in 1869 to Miss Christina McLeay who predeceased him twelve years ago. Eight children, two boys and six girls, were the result of the union, all of whom are now living, namely, T. F. Waugh, M. D., and John of Imperial, Sask.; Mrs. J. Temple, Watford; Mrs. D. Falloon, Warwick; Mrs. Marshall Pegg, Turperville; Misses Mary, Lena and Tena at home. Mr. Waugh was a Liberal in politics and a member of long standing in the Methodist church. He was a man of quiet and unassuming disposition, devoting his energy to perfecting himself in his chosen business of farming, and took deep interest in his family and home life, consequently was held in much affection by his children in his declining years. The funeral took place on Monday and was well attended, considering the stormy weather. The Rev. F. G. Robinson conducted the ceremony assisted by Rev. H. F. Kennedy and Rev. S. V. Pentland, during the service Miss Pentland and her brother Cully sang a duet and Mr. P. Reynolds a solo. Interment was made in the Methodist cemetery, Warwick Village. The pallbearers were W. Beacon, P. Anderson, W. McRorie, M. Barrett, J. Humphries and T. Brush.

Richardson and the presentation made by Mr. Mack Luckham of a handsome large fumed oak leather covered rocker, after which the company joined in singing "For He's a Jolly Good Fellow." Mr. Doan, although taken by complete surprise, replied in very warm, appreciative terms, thanking the friends for their kind words and beautiful gift, and expressed his and Mrs. Doan's regret at leaving the neighborhood. The company then sang two verses of "Blessed be the Tie that Binds," following which Rev. Mr. Fair made a very appropriate speech, emphasizing the tribute paid to Mr. and Mrs. Doan in the words of the address. After all had enjoyed a tasty lunch prepared by the ladies a pleasant evening was brought to a close by singing a verse of "God be With You Till We Meet Again." The address:—

Warwick, March 23rd, 1915.

To Mr. and Mrs. Doan:—

It is with mingled feelings of pleasure and regret that we have met here this evening. We are glad to have this opportunity of spending an hour or two in social intercourse, and to give expression of our esteem for you. Our associations have always been of the most pleasing character. In the church we have admired your consistent Christian example, a business we have found you upright and honest in all your dealings, and in the social circles you have ever shown a kind, courteous and obliging spirit. Our feelings of regret this evening are due to the fact that our connections as friends and neighbors in this locality are now about to be severed, and though we may meet from time to time, we know we cannot associate as we have in the past. We hope that we may always cherish that desire for each other's welfare that has characterized our intercourse in days gone by. We ask you to accept this chair as a memento of our good wishes, and, as you sit in it to rest, may it often remind you of this evening and of old friends at Birmam. Our parting wish is that God may bless and prosper you and your little family in your new home, and may we all meet at last in the heavenly home, where there is no parting.

Signed on behalf of your friends and neighbors by Mrs. W. H. Luckham, Mrs. Will Vance, C. N. Richardson and J. F. Smith.
