At the time of Confederation Canada
had about 10,000 schools and 11,000
teachers. To-day there are 26,000 schools
and over 39,000 teachers. Fifty years
ago 664,000 pupils were enrolled, while
now 1,327,000 are receiving instruction.
The expenditure on education has in-
creased from \$2,500,000 to \$56,000,000.

The Ontario government has issued a

consumption of fish. You can secure one
by addressing Albert H. Abbott, Secre-
tary Organization of Resources, Parlia-
ment Buildings, Toronto.

The soldier's pension list is being re-
vised at Ottawa. It is hoped when re-
vision is complete that there is less dif-
ference between the officer and the private
and the latter increased. The treat-
ment to returned wounded soldiers
should be generous enough to afford
them a livelihood, and the stay-at-homes
should pay it.

crease in rates may be made in order to
comply with the new government regu-
lations.

The youngster had just been told the
story of Daniel in the lions' den, and
the question had been put to him:
"What do you think Daniel did the very
first thing when he found he was saved
from the lions?" The child reflected for
a moment and then replied: "I suppose
he telephoned home to his wife to tell
her he was all right."

LAMBERTS 149 I. O. D. E., wishes to
thank the public for their generous pat-
ronage of the bazaar which they held in
the Armory, June 15th and 16th, and al-
so to specially thank the different firms
in town who so kindly donated goods for
sale. The proceeds of the bazaar amount-
ed to \$200. The lucky ticket for the
fern stand which Harper Bros. donat-
ed some weeks ago was drawn by Mrs.
T. G. Mitchell.

DR. J. MCGILLICUDDY, V. S., who has
been in the United States since last fall
inspecting and purchasing homes for the
French army, is home and attending to
business at his office here, a sufficient
number of horses having been purchased
to keep the army going for a time. From
the 13th of February to the 13th of June,
the Dr. purchased 3600 animals. Since
arriving home he has received a flatter-
ing and substantial acknowledgment of
his professional ability and carefulness
from his employers.

WHEN anyone hands you a five dollar
bill take a good look at it before accept-
ing it at face value. It may be one of
the Mexican variety, of the vintage of
1914, which, it seems have become fairly
common in Ontario lately and which are
worth about 13 cents. The market never
varies more than a fraction of a farthing
either side of the 13c mark, the banks
state. That there are quite a number
of the bills in circulation appears to be
certain and many who do not look
closely accept them as five dollar Cana-
dian or American bills.

A SPECIAL MEETING of Lambtons 149
I. O. D. E., was held at the home of
Miss M. Brown Tuesday afternoon, at 3
o'clock with the Regent, Mrs. Kelly, in
the chair. Reports from the conveners
of the committees which had charge of
the booths at the bazaar were read. The
stock-in-trade of the latter was sent 25

sec. that the chapter send \$25 to the Bel-
gian Canal Boat Fund and \$50 to the
Prisoners of War Fund. \$5 was donated
to the High School for the use of their
plano. Next meeting to be held at the
home of Mrs. T. A. Adams.

Lambton's 149 I. O. D. E. Bazaar
The Bazaar given in the Armory last
Friday and Saturday by Lambton's 149
Chapter of the I. O. D. E. attracted a good
crowd and was in every way a grand
success. The ladies of the Chapter were
kept busy all the time attending to the
wants of their patrons. The different
booths were tastefully arranged and
decorated, flags and bunting predom-
inating in the decoration scheme. There
was one for ice cream which was a great
attraction for the young people as was
also the home-made candy booth. The
stock-in-trade of the latter was sold out
the first day and replaced Saturday with
home-made cooking. There was also a
fancy work booth and a garden craft
booth, a Japanese tea room and a fortune
teller, all of which were well patronized.
An almost continuous program of music
was given which helped to give bright-
ness and vim to the affair. A most
attractive feature was the "white
elephant" booth, where many useful and
valuable articles were offered and dis-
posed of for a mere song. By 10 o'clock
Saturday night nearly everything was
sold and the ladies had added \$210 to
their patriotic fund. The Chapter is to
be congratulated on providing an inter-
esting and attractive entertainment and
at the same time doing their bit to help
win the war.

One of the most successful entertain-
ments held in the Township for a long
time was the ice cream social held on
Mr. Dan. Maddock's spacious lawn on
Tuesday evening of last week. The
program was an excellent one embracing
something to please everyone, and the
Arkona orchestra furnished some good
music. The booths were well patronized,
the fancy goods booth being a great
attraction for the ladies. The total
proceeds reached the handsome sum of
\$232.39 and after deducting expenses a

The June meeting of the Brooke W. I.

Knitting is to be taught in the Windsor

the principals of the schools, household
science teachers and a committee of the

be well to have the girl pupils take up
the art of knitting instead of sewing
while the war is on, at least.
