## Death of Charles H. Poole

It was with deep regret and sorrow that the citizens of Bridgetown and the whole countryside learned of the death of Charles Hanley Poole which occurred at his home at Upper Granville on the 6th inst.

Mr. Poole was widely known and because of his genial and kindly disposition, as well as his high worth was loved and respected by all who came in touch with him. For a number of years he drove the mail between Bridgetown and Granville Ferry and in this way became widely known by the travelling public, and because of his quiet and obliging way of dealing with them, he made a host of friends who deeply regret his death.

For the last few years Mr. Poole's health had been delicate, and contracting a cold, complications were brought on which resulted fatally. During his sickness he did not suffer greatly and his last hours were peaceful and his peaceful home going. Conscious to the last he passed beyond, repeating many of the comforting promises of eternal life enshrined in the Word of God.

He was a son of Obadiah and Eliza Poole, of St. Croix Cove, at which place he was born in 1869. After spending some years in Saugus, Mass., he moved to Upper Granville some nineteen years ago. He leaves to mourn their loss, a wife and two sons, Earl of Upper Granville, and Vyle, now teaching at Westport, N. S.

In the absence of Rev. Mr. Richardson, the Rev. Mr. Swetnam conducted the funeral services in a most tender and acceptable way. The Baptist church choir was also in attendance at the services. Interment took place in the Riverside Cemetery, Bridgetown.

## Will Go To Bear River

Mr. R. E. Thurber, of Freeport, who has been principal of the Bridgetown Schools for four years, has accepted the principalship of Oakdene Academy, Bear River, and will move there with his family during the month of July. Mr. Thurber has sold his residence on Granville street (the late J. W. Ross property) to Mr. M. C. Foster, the popular inspector of schools for this district. Mr. Thurber took an interest in the Board of Trade and everything that was for the good of the community in which he resided. He has for more than a year been secretary of Rothay Lodge, A. F. & A. M., and will be greatly missed by his Masonic brethren as well as by a large circle of friends. We wish him every success at Bear River and feel that both he and Mrs. Thurber will receive a royal welcome in our enterprising sister town. Mr. Thurber will be succeeded by Mr. John T. Archibald who comes here from Sydney.

## More Heroes Return

The town was again decorated on Saturday and the procession of veterans looked better than the ones who were at the train Saturday to meet our returning men. The reception committee, the Mayor and other public officials, the boy cadets, the school children and hundreds of citizens were present to extend a hearty welcome. The following are among those who returned since our last issue: Earle Craig, C. O. Fitzgerald, L. F. Salter, R. A. Salter, P. F. Lloyd, Burpee Phinney, Jack Mitchell, Bridgetown; W. S. Prince, Lawrenceville; L. C. Lewis, G. M. Beardsley, Port Lorne.

## Another New Advertiser

We welcome to our columns this week another new advertiser. We refer to Capt. Wm. E. Gesner, who has purchased the gent's furnishing business recently owned by the late J. Harry Hicks, corner of Queen and Granville Streets. Mr. Gesner plans on doing a cash business with an up to date stock at a close margin, giving his customers an excellent service. We wish him every success.

## THE EXPLANATION

Nature placed the growth-promoting "vitamins" in the oil of the cod-fish—this explains why **Scott's Emulsion** is so definite in its help to a child of any age. Latter-day science reveals that the "vitamins" are needful for normal growth. **Scott's Emulsion will help any child grow.**

Don't forget the Old fashioned Bean Supper to be given in Belleisle Hall on Thursday evening, May 15th, by the ladies of the Methodist church.

Mr. Elias Ramey, one of Bridgetown's meat merchants, purchased a pig recently which, when killed at the age of three months, dressed 145 lbs.

As noted in the usual place there will be no 11 a. m. service in St. James Church next Sunday. The services will be Holy Communion at 8 a. m., and the usual service at 7.30 p. m.

Mr. Irvin, K. C., has received a telegram from his Ottawa agents that in the case of Kizer vs Morse judgment was given in favour of Kizer, the defendant's appeal being dismissed with cost.

Mrs. M. P. Farnsworth, of Phinney Cove, was a passenger to Halifax yesterday to undergo an operation. She was accompanied by her daughter, Mrs. Vernon Bent, and also Dr. M. E. Armstrong.

Annapolis is planning on a big celebration Victoria Day under the auspices of the Annapolis and Digby Bands. A large crowd will be present from Bridgetown and other places along the Nova Scotia coast in to day's MONITOR.

Owing to the MONITOR'S rapidly increasing circulation, especially in Digby county, it is recognized by all business men as a valuable advertising medium, hence the great pressure in our columns in every issue which will be some what relieved as soon as we can arrange for larger pages.

We are pleased to report that J. H. Hicks & Sons, Bridgetown's well known builders and contractors, have been awarded the contract to build the new D. A. B. station and freight shed at Bridgetown. The work of preparing the ground for the new foundation has already commenced.

We regret to state that the Kentville Advertiser building was badly damaged by fire last Friday morning, the blaze being started in the photo rooms. The printing machinery was injured by water only and Mr. Geo. H. Chisholm, the enterprising manager, expects to issue his paper as usual next Friday morning.

Next Monday evening in St. James Church commencing at 8.30 the Rev. J. C. Cooper Robinson will give an address on "The land of the Rising Sun." As Japan is our ally in the far East this address should be most interesting and especially so as Mr. Robinson has worked in Japan for upwards of thirty years. During the evening there will be shown a number of beautifully coloured stereoscopic views of scenery, people, customs, religions, etc., all illustrating life and work in that country. A Silver collection will be taken. All are cordially invited.

Our reputation for fair dealing and reliable goods, coupled with the De Laval record of service and durability, has made the De Laval Cream Separator the leader in this community.

COST—That's what you put into a cream separator.

VALUE—That's what you take out of your cream separator.

Value in a cream separator depends upon the amount and the quality of service you get out of it.

Because it lasts fifteen to twenty years the De Laval is the most economical cream separator to buy. If you consider its greater capacity and less cost for repairs, the price of the "cheapest" machine on the market is exorbitant in comparison.

With present high butter-fat prices and the scarcity of labor this is truer than ever.

We'll sell you a De Laval on such easy terms that it will pay for itself out of its own savings. We want to see you the next time you're in town.
