

WORKS BY THE AUTHOR OF
'SAM SLICK, THE CLOCKMAKER.'
Each in One Volume, Frontispiece, and Uniformly Bound, Price 5s.

NATURE AND HUMAN NATURE.

"We enjoy our old friend's company with unabated relish. This work is a rattling miscellany of sharp sayings, stories, and hard hits. It is full of fun and fancy."—*Athenaeum*.

"Since Sam's first work he has written nothing so fresh, racy, and genuinely humorous as this. Every line of it tells in some way or other—instructively, satirically, jocosely, or wittily. Admiration of Sam's mature talents, and laughter at his droll yarns, constantly alternate as with unhalting avidity we peruse the work. The Clockmaker proves himself the fastest time-killer a-going."—*Observer*.

WISE SAWS AND MODERN INSTANCES.

"This delightful book will be the most popular, as beyond doubt it is the best, of all the author's admirable works."—*Standard*.

"The book before us will be read and laughed over. Its quaint and racy dialect will please some readers—its abundance of yarns will amuse others. There is something to suit readers of every humour."—*Athenaeum*.

"The humour of Sam Slick is inexhaustible. He is ever and everywhere a welcome visitor; smiles greet his approach, and wit and wisdom hang upon his tongue. We promise our readers a great treat from the perusal of these 'Wise Saws,' which contain a world of practical wisdom, and a treasury of the richest fun."—*Morning Post*.

THE OLD JUDGE; OR, LIFE IN A COLONY.

"By common consent this work is regarded as one of the raciest, truest to life, most humorous, and most interesting works which have proceeded from the prolific pen of its author. We all know what shrewdness of observation, what power of graphic description, what natural resources of drollery, and what a happy method of hitting off the broader characteristics of the life he reviews, belong to Judge Haliburton. We have all those qualities here; but they are balanced by a serious literary purpose, and are employed in the communication of information respecting certain phases of colonial experience which impart to the work an element of sober utility."—*Sunday Times*.

TRAITS OF AMERICAN HUMOUR.

"No man has done more than the facetious Judge Haliburton, through the mouth of the inimitable 'Sam,' to make the old parent country recognise and appreciate her queer transatlantic progeny. His present collection of comic stories and laughable traits is a budget of fun, full of rich specimens of American humour."—*Globe*.

"Yankeeism, portrayed in its raciest aspect, constitutes the contents of these superlatively entertaining sketches. The work embraces the most varied topics—political parties, religious eccentricities, the flights of literature, and the absurdities of pretenders to learning, all come in for their share of satire; while we have specimens of genuine American exaggerations and graphic pictures of social and domestic life as it is. The work will have a wide circulation."—*John Bull*.

THE AMERICANS AT HOME.

"In this highly entertaining work we are treated to another cargo of capital stories from the inexhaustible store of our Yankee friend. In the volume before us he dishes up, with his accustomed humour and terseness of style, a vast number of tales, none more entertaining than another, and all of them graphically illustrative of the ways and manners of brother Jonathan. The anomalies of American law, the extraordinary adventures incident to life in the backwoods, and, above all, the peculiarities of American society, are variously, powerfully, and, for the most part, amusingly exemplified."—*John Bull*.

"In the picturesque delineation of character, and the felicitous portraiture of national features, no writer equals Judge Haliburton, and the subjects embraced in the present delightful book call forth, in new and vigorous exercise, his peculiar powers. The Americans at Home will not be less popular than any of his previous works."—*Post*.
