

DR. Price in an English newspaper gives eight reasons for the prosperous condition of Sunday schools in Wales. (1.) They do not depend upon libraries for success. The Sunday schools of Wales have no libraries. (2.) The Bible is the only text book. (3.) The Bible is studied by all the helps at command. (4.) The Sunday-school is made the subject of prayer. (5.) It is made an object of congregational interest. (6.) One-third of every Lord's day is devoted to the study of the Bible. (7.) Every ecclesiastical organization fosters Sunday-schools. (8.) Every quarter the whole day is given to the school. Questions are proposed, and briefly argued. The people honour God's word.
