CONSUMPTION CURED.

An old physician, retired from practice, having had placed in his hands by an East India Missionary the formula of a simple and reliable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung affections, also a positive and radical cure for Nervous Debility and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive and a desire to relieve human suffering, I will send free of charge to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 140 Power's Block, Rochester, N.Y.

ADVICE TO MOTHERS.—MRS. WINDLON'S SOOTHING SYRUP should always be used with children when cutting teeth. It relieves the child of all pain; it produces natural, quiet sleep by soothing the child from pain, and the little cherub smiles as bright as a button. It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.
