Use Without Soap

The World was ready for Pearline—received it with smiling face—outstretched arms and in a few years, has made the very name Pearline to mean perfect cleanliness, with ease, comfort and safety.

It's to your interest and ours to have you try it (we share the benefits with you). On coarse articles or fine; on anything washable. Delightful in the bath. Millions use Pearline because it helps them—not us. It helps us most to make an article that helps woman.

Beware Peddlers and some unscrupulous grocers are offering imitations which they claim to be Pearline, or "the same as Pearline." IT'S FALSE—they are not, and besides are dangerous. Pearline is manufactured only by JAMES PYLE, New York.

SIR C. A. CAMERON, M.D., Ex-President of the Royal College of Surgeons, Chief Medical Officer of Health for Dublin, &c., reports on "SUNLIGHT SOAP"—"The points in the composition of this Soap that are most valuable are its freedom from free alkali, the large percentage of fatty acids which it contains, and the purity of the materials employed in its preparation.
