MAGNET BRAND

MADE AT
SHALLOW LAKE, ONT.

Our Celebrated **Samson Brand** has been before the public for many years, and has made hosts of friends among Contractors and Municipal Corporations until it has become one of the leading Cements on the market to-day, being excelled by none. This year we have decided to place the **Magnet** on the market, and respectfully ask consumers to give it a trial. It will, we think, do its own advertising.

Saved 25 PER CENT.

A CUSTOMER SAYS:—We are well pleased with the Mumford Standard Boiler purchased from you a year ago. It steams very quickly and we find, on comparing our coal bill with the year previous, that we have saved 25 per cent. although we are using considerable more power, and have double the area to heat.
