IT IS CERTAINLY—

A GREAT TRIBUTE TO MELISSA

THAT SUCH PERSISTENT ATTEMPTS ARE MADE TO PRODUCE IMITATIONS.

Counterfeit money to pass current even among the most ignorant must be made to resemble genuine coin.

In like manner it is found necessary to even copy Melissa patterns and styles in the frantic effort to place imitation goods on the market.

ALL IN VAIN.—The public are not so easily humbugged, and regard with undisguised contempt such an underhand and paltry manner of doing business.

Our Melissa Cloths are manufactured by the largest and best mills in the country. Our patterns are made specially for us and the mills guarantee they will neither reproduce them in any other cloth, nor sell them to any other firm.

WE NEITHER DEAL IN COUNTERFEITS NOR PLAY SECOND FIDDLE.

Copies of Melissa patterns must therefore be obtained from some of the smaller inferior mills in lower grades of cloth.

Nothing Equal to Melissa has ever Heretofore been Produced either for Ladies' Cloakings or Men's Ulsterings. There is a large range of the most fashionable colorings and patterns to choose from. The Cloth being thoroughly Rainproof you get, in a Melissa Cloak or Overcoat, a beautiful fine soft Woolen Garment having all the advantage of a Waterproof without any of the disagreeable or unhealthy qualities.

— WE HAVE PLACED IN THE HANDS OF —

Leading Wholesale Dry Goods, Millinery and Woollen Houses

A beautiful range of Melissa Cloths, suitable for Ladies' Cloakings and Men's Wraps, which are now being shown by their travellers.

IN FUTURE Genuine Melissa Cloths can only be obtained through the above mentioned channels

All Genuine Porous Rainproof Cloths are stamped in wax with the Melissa trade mark seal, and Melissa Garments have the trade mark label attached. None other genuine.
