**PRICE OF BUILDERS' HARDWARE.**

An advance of 10 per cent. was announced last week by Canadian manufacturers in the price of locks, knobs and other lines of builders' hardware. It is said that in the United States prices have been advanced 20 per cent. It is claimed that the raw material has become more costly during the past year.

Mr. A. O. Craydon, city engineer of London, Ont., who has been indisposed for the past three months, has now partially recovered and makes an occasional visit to his office.

The dissolution is announced of the Turnbull & Russell Company, manufacturers of elevators, Toronto. The business will be continued as the Turnbull Elevator Manufacturing Company, with Mr. Turnbull as manager, while the services of Mr. Russell will be retained.
