THE BISHOP OF TORONTO AND THE CHURCH UNIVERSITY.

THE exertions of the BISHOP OF TORONTO having been indefatigable to obtain for the Inhabitants of the Province, a College in which Religion will be the basis of instruction for the rising generation, a debt of gratitude is thereby due to his Lordship, of which some testimony should be given.

The committee formed in furtherance of this object, feeling certain that the call thus made on the friends of Religious Education in the Province, would be promptly responded to, did not hesitate to have instructions forwarded to Mr. Salter, and a communication made to his Lordship on the subject, while it was in doubt that there was sufficient time before his Lordship's departure to carry out the wishes of the friends of Religious Education, the Committee forbore from any active measures to swell the subscription list.

The spontaneous subscriptions already recorded, when united with those which may now be expected, leave little doubt that the sum subscribed will enable the committee after defraying all the expenses of the Portrait, to have it engraved and furnish to each Subscriber of One Pound and upwards, a copy of the Engraving for each pound subscribed. But as the number of Copies to be struck off will be confined to the supply necessary for the Subscribers to the Portrait, and the Plate will then be sealed up, those who may be desirous of a copy of the engraving, should lose no time in intimating their wishes.

As parties residing at a distance may find a difficulty in forwarding Subscriptions, the same may be paid to their respective Clergy men for the Committee.

Subscriptions will also be received at the Bank of Upper Canada in the name of the Committee, the Honourable the Chief Justice Robinson, the Honourable Col. Allan, the Rev. H. J. Grasset, the Rev. Dr. Lett, the Rev. H. Scadding, M. A., John Arnold, Esq., and by Thomas Champion, Esq., at the Church Depository, where the subscription list lies. Toronto, October 30th, 1850. 8-1f

ALTHOUGH this Society has mainly in view the intention of enabling members of the Church of England to contribute, by the payment of small periodical sums, towards either the endowment of a Church of England University, (in accordance with the recommendation of His Lordship the Bishop in his recent Pastoral Letter) or the building and endowment of Churches, Parsonage Houses, and School Houses, in connexion with the Church of England—the Society, nevertheless does not contemplate restricting its operations to those objects only. On the contrary, like other Building Societies, the advantages of the Church of England and Metropolitan Building Society will be fully open to all parties, without distinction, who may choose to take Stock therein, either for investment—the acquisition of freehold or leasehold estate—the removal of incumbrances or liabilities upon property—or the privilege of borrowing the amount of their shares in advance, upon furnishing approved mortgage security.

Printed copies of the By-Laws and Regulations can be obtained from the undersigned, at the Offices of the Society, Albany Chambers; and it is requested that all Communications be post paid.
