Extracts from a Letter from C. H. S. Cronkhite, Esq.

Canterbury Station, York Co., N.B., October 10th, 1876.

Mr. J. H. Robinson,
Dear Sir,—In reply to your letter of enquiry, I would say that your *Phosphorized Emulsion of Cod Liver Oil with Lacto-Phosphate of Lime* is the best preparation of the kind I have ever seen or taken.

I was ordered by my physician to take it, and commenced about the last of August, and since that time I have felt a different man, and also look differently, and all for the better, as the doctor can testify.

I was unable, in the summer to walk any distance without much fatigue. I can now take my gun and travel all day, and feel first-rate at night, and eat as much as any lumberman. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I think I can inflate them up to full measurement, same as before I was sick; have also gained in flesh, my weight in the summer was 173 lbs. and now it is nearly 190 lbs., which is pretty well up to my former weight.

The foregoing is a correct statement which I am prepared to swear to, and I hereby authorize you to give it publicity in my name.

I am, dear sir, truly yours
(Signed) C. H. S. CRONKHITE.

We, the undersigned, hereby consent to have our names published as witnesses to the effects of *Robinson's Phosphorized Emulsion* on the person of Mr. Cronkhite and do assert that the foregoing statement is correct in every particular.

It will be illustrated by a portrait from a photograph, engraved by G. Lacour.

Messrs. Ness & Co., 759 Craig street, Montreal, whose advertisement appears in our columns, have received an order from Ottawa for a large supply of their THYMO-CRESOL, the Gold Medal English Disinfectant. The Chief Engineer in his report says it does its work better than any disinfectant ever used by the Government.

Special attention of the readers of our Journal is directed to the advertisement of the Citizen's Insurance Company of Canada, a reliable institution seeking Fire, Life and Accident Insurance from our patrons. It insures dwelling risks against fire as low as any good company, and has a new form of tontine life policy, which is said to offer advantages not obtainable elsewhere. Its capital is large and is held by some of the wealthiest people in Montreal. We notice also that special reduced terms are offered Clergymen.

PHOSPHOLEINE.

All who have used it join in praise of it and herald the facts of their cures.

The Train Despatcher at Vanceboro writes:

M. R. Eager, Esq.:
Dear Sir,—My wife, Laura A. Finson, was taken sick early this year and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood, and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse, until I was recommended to procure for her some bottles of

Eager's Phospholeine

and WINE OF RENNET. This I did, and after using about five bottles of the Phospholeine, taking a teaspoonful at a time in a wineglass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your WINE OF RENNET, she became thoroughly well, her improvement commencing after the first half bottle had been taken. She can now superintend her household duties without inconvenience, eats and sleeps well, and every symptom of consumption has vanished. I have to thank your medicine for her restoration to health.

WALTER B. FINSON,
Vanceboro, Maine, U.S.

The statement of facts contained in the above certificate is in all respects accurate, I feel assured that I owe my cure to your medicines.
