THAT OLD "BACH" AGAIN.

An old bachelor asserts that the best and quietest way to revive a lady when she faints is to begin to take down her hair; if it aint her own she will grab it in a jiffy. A better way to stop fainting and to produce Hair of her own is to use Minard's Liniment.

SOLID GOLD WATCHES FREE. LADIES' AND GENTS' SIZES.

Our AMERICAN HOME JOURNAL is a beautifully printed and handsomely illustrated monthly paper for the home. Each number contains 16 pages, 64 columns of instructive and entertaining reading matter of a high order, consisting of short stories, poems, articles on fancy work, fashion notes, domestic economy, social science, general news, etc., etc. Every home is delighted with this charming paper. The publisher wishes to add fifty thousand new subscribers to its present subscription list, and in order to introduce it into fifty thousand homes where it is not already known, the publisher will give away, absolutely free, thousands of genuine Solid Gold Stem-Winding and Stem-Setting Watches (in order to get new subscribers and agents) to thousands of persons, as stated in our advertisement in our paper. These watches come in ladies' and gents' sizes; we warrant every watch to be solid gold, and to contain a fine American Rosecut, Full Jeweled, Patent Lever. We give a two-year guarantee with every watch. This is one of the grandest offers ever made by a reliable publisher. How can we do this in the question thousands who read our advertisement will ask. We answer, Easily enough. And in order to make everything perfectly plain to you, we offer the following bona fide explanation: All papers of a national reputation spend thousands of dollars in advertising, to make known their publication and increase their advertising patronage. Of course no paper can make money, or even exist, without advertising; consequently, by giving away, absolutely free, thousands of Solid Gold American Watches, we expect to get the largest circulation of any family paper in the country. Our point is, after we get a certain circulation we can easily command from \$2 to \$200 per inch for space in our paper from advertisers. There are thousands of dollars in advertising, to say nothing about subscriptions; then, it will only be a question of time, with careful and thorough management, square, honest and truthful statements to our subscribers, that we will be friends with every person in the land; then again we know that our Solid Gold American Watches and our paper will give such perfect satisfaction that we will get as many as fifty to a hundred new subscribers in every town where our paper goes, and as there is something like \$5,000 town in America, you can plainly see what an immense circulation we are sure to build up. Remember, we are after a large sale, not a large profit; we must have it, even though it costs us many thousands of dollars, otherwise our enterprise would be a dead failure. We consider our paper one of the liveliest, spiciest, neatest, cleanest and best family papers of the kind in America; you will say so when you have seen it. It is a complete family paper in every way. We are determined to push the circulation of our AMERICAN HOME JOURNAL until it reaches the top of the ladder. In addition to the above we have offered and given many other valuable premiums to subscribers and we now add still another grand offer to those who desire to receive this gen. of Household papers and consider the opportunity of obtaining a Solid Gold Watch absolutely free.
