The official song of Utah isn't so much "Marryland, My Marryland," as it used to be.

#### THE COMING CHRISTMAS "STAR."

The many people who have been looking out for the Christmas *Star* will be glad to hear that it is to be ready for delivery the first week in December. The Christmas *Star* has bounded at once to the highest place in public esteem. It is always pretty, always taking, and always very good value for the money. The enormous circulation of the Christmas number of the *Star* is accounted for by the fact that it goes from friends on this side to friends far away literally by thousands, and it is looked forward to with very great interest indeed. Every person who gets a Christmas *Star* gets a better opinion of Canada, and thus our country is becoming better known every year. The *Graphic* and *Illustrated News* of London look upon the Christmas Number of the Montreal *Star* as a most remarkable number.

#### THEN AND NOW.

HE was a man of some account  
And well among his neighbors stood,  
For any reasonable amount  
His name was good.

HE took to drink, and soon his nose  
Assumed a tint as red as blood,  
And now as far as credit goes,  
His name is Dennis.
