THE BATTLE FOR LIFE! Which is continually going on between health and disease, has never received from any medicine such marked and unmistakable assistance, on the side of health, as it has from

BRISTOL'S SARSAPARILLA.

This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long-standing cases of SCROFULA, and has invariably been successful in curing them.

and has invariably been successful in curing them. It has been again and again tested in Fever and Ague, Intermittent and Remittent Fevers, and always with the same excellent results. In RHEUMATISM AND GOUT it is infallible, curing cases that had resisted all other treatment for nearly a life time.

ULCERS AND TUMORS the effect is equally gratifying, although, of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as

CANCER, the Sarsaparilla should be continued for at least four or five months after the trouble has to a large extent been overcome, because unless this is done, and the nature of the blood and humors be entirely changed throughout the whole body, the disease is liable to return with unabated force. In BOILS AND CARBUNCLES the Sarsaparilla should be taken five or six times a day, but not in very large doses—say two or three tablespoonfuls at a time.

For sale at all the principal Drug Stores. Montreal, 3m25.

PHOTOGRAPH BEFORE USING AFTER USING HALL'S Vegetable Sicilian Hair Renewer

Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINGDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported.

A TOILET NECESSITY. THE surpassing aromatic excellence of Murray & Lanman's Florida Water has caused its qualities as a cosmetic to be partially overlooked. It is not only the most refreshing and delightful of perfumes, but, as a superficial application for the removal of blemishes on the skin, it is unsurpassed. In all cases of annoying eruptions, freckles, tan, and sunburn, caused by exposure to the sun or air, this soothing, softening toilet-water will be found exceedingly useful, imparting to the complexion

and entirely removing that sallow, greasy appearance of the skin, so disagreeable to refine and elegant taste. Except for the removal of pimples, the Florida Water should always be diluted before using. For the extirpation of pimples, the application should be made full strength, seven or eight times a day, taking care to touch the pimples only and not the surrounding skin. These directions carefully followed, will in a short time remove every disagreeable blemish. The hygienic properties of

MURRAY & LANMAN'S FLORIDA WATER

are a marked and distinctive feature of this fragrant Perfume. Its wonderful power in relieving all forms of nervous headache, fainting turns, ordinary hysteria, and its tasteful disinfectant properties in the sick-room, mark it as peculiarly adapted to all the requirements of the boudoir, the dressing room, and for general family purposes. As a perfume, it is scarcely necessary for us to speak of its many virtues. Thirty years of public trial have established the fact that for its freshness, its purity, its delicacy, and its unchangeableness, it remains WITHOUT AN EQUAL.

No other toilet-water nor perfume resembles it, or can supply its place; and no one who once uses it can be induced to forego the continuation of the pleasure. Hence the amazing rapidity with which its sales increase, even in the face of imitations and counterfeits, that unprincipled and dishonorable men in France and Germany flood the market with. The difference between them and the genuine Murray & Lanman's Florida Water, is simply the difference between great excellence and utter worthlessness. And the public are earnestly urged, when purchasing, always to ask for the Florida Water prepared by Lanman & Kemp, New York, who are the sole proprietors of the genuine article, and who will be glad to be advised of names of all dealers who try to impose upon their customers the false and fraudulent counterfeits. For sale by all respectable Druggists, Perfumers, and Fancy Goods dealers. Jan. 22 1869. 3m24.

BRISTOL'S SUGAR-COATED PILLS

Purely Vegetable. The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our BRISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, herbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the bilious secretions. This, in combination with LEBTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind heretofore offered to the public. BRISTOL'S VEGETABLE SUGAR-COATED PILLS will be found a safe and speedy remedy in all such cases as

Piles, Headache, Jaundice, Bad Breath, Foul Stomach, Loss of Appetite, Liver Complaint, Habitual Constiveness, Dyspepsia or Indigestion, Heartburn and Flatulency, Dropsy of Limbs or Body, Female Irregularities, And all diseases of the Stomach, Liver, Bowels and Kidneys.

In diseases which have their origin in the blood BRISTOL'S SARSAPARILLA—that best of blood purifiers—should be used with the Pills; the two medicines being prepared expressly to act in harmony together. When this is done faithfully, we have no hesitation in saying that great relief, and in most cases a cure, can be guaranteed when the patient is not already beyond human help. For general directions and table of doses, see the wrapper around each pill. For Sale in the Establishments of Devins & Bolton, Lyman, Clark & Co., Evans, Mercer & Co., Picault & Son, H. R. Gray, John Gardner, Druggists, Also by all respectable Druggists.
