

FORT GEORGE

The Pay Roll City

offers splendid openings for business men of all kinds

FORT GEORGE HAS BEEN SELECTED AS THE MAIN CONSTRUCTION HEAD-QUARTERS for railways building north, south, east and west through Central British Columbia and the Peace River District.

In addition to being the strategic railway centre of a vast territory, Fort George is at the junction of 1,000 miles of navigable waterways and will be the wholesale jobbing and manufacturing centre.

One million dollars per month cash will be distributed at Fort George to 10,000 construction men.

For business or investment go to Fort George, the Hub of British Columbia.
