That's a Leckie Rain or Shine.

There's a LECKIE BOOT for all weather conditions.

Inclement weather will soon be here.

Prepare for it with a pair of LECKIE'S staunch, sturdy, all-leather shoes.

Not clumsy-looking, mind you—just as stylish as you please—but there's comfort—there's wear—hidden away under the graceful lines.

Try and see your shoe-dealer right away. Ask him.

FOR FALL PLANTING

We offer a complete stock of
Fruit and Ornamental Trees
in strictly first class quality, true
to name.

ROSES

are one of our specialties and we grow a tremendous number, not only of the old and well known standard sorts like Testout, Drusckky, Jacques, Dijon, Brunner, Gontier, Rainbow, Teplitz, Laing, etc., but also the very best of all the European and American novelties known, as for instance, British Queen, Geo. Dickson, King George V, Lyon, Sunburst, Coronation, Irish Fireflame, Mme. E. Herriot, Mrs. Andrew Carnegie, etc. And mind these are not imported plants, weakened by a 6000-mile journey, not to talk about delays, heating or drying up en route, fumigation processes, etc. No; we grow all our Roses here at Victoria, strong, sturdy and well ripened stock, with roots on them like oaks, sure to give satisfaction.

Personal inspection is invited. Low prices. Special quotations for large lots to the trade.
