

# GUIDE TO THE USERS

This index is a subject-based and cross-referenced index which provides subject analysis as well as cross-referencing entries under the names of individual Members of Parliament. Each participating Member and witness has a global entry, based on the order of reference that occurs on pages where he/she spoke.

Keywords: New Zealand (NZ) - Wellington (NZ) -

Included in the index are several headings that may be particularly useful to the user. Witness subject entries are arranged by individual and organization within the Commission. The heading "Other" is used for all entries related to the Commission. The heading "Witness" records all items of a procedural nature including those listed in the Minutes.

The index is extensively cross-referenced to account for organization of subject entry and varying terminology. Cross-referencing is a list and heading the heading of a page.
