

*Business of the House**[English]***BUSINESS OF THE HOUSE**

Hon. Donald S. Macdonald (President of the Privy Council): Mr. Speaker, I should like to confirm the business of the house for tomorrow. It is our intention to call again the matter that we are dealing with at the moment, item 40, the omnibus Criminal Code bill. I think there is a general understanding that if this should reach a culmination tomorrow the house will not expect the Minister of Justice

to reply but rather that he will make a statement to the committee and perhaps during the later stages of consideration in the house.

Let me also indicate to the house that on Friday, though this is subject to further confirmation, we will call item 25, Bill C-138, an act to amend the Bretton Woods Agreement which was reported today, the evidence on which I believe is now in the hands of hon. members.

At six o'clock the house adjourned, without question put, pursuant to standing order.
