

The Hon. the Speaker: Pursuant to Rule P(3)(a), Senator Petten is suggesting that we vote on the motion tomorrow at 5:45 p.m.

Is it agreed, honourable senators?

Hon. Senators: Agreed.

Hon. Lowell Murray (Leader of the Government and Minister of State for Federal-Provincial Relations): Honourable senators, the provisional rule provides that, at the request of one of the whips, the vote may be deferred until 5:45 p.m. the next day.

That having been done, honourable senators, I move that the Senate do now adjourn.

The Senate adjourned until tomorrow at 2 p.m.
