Dear Mr. Lindsay,

I cannot thank you enough for your very kind and sympathetic interest in our efforts to promote research in the Medical Faculty.

Your offer is a most generous one, and we all appreciate it more than I can tell you.

I have no doubt, in the near future, that we will find some other friends who will be good enough to help us in this work, and when that time comes we will take the opportunity of letting you know.

Meanwhile, accept again my sincere thanks for your kindness.

Very sincerely yours,

(Signed) C. F. Martin,

DEAN.
