

THE THALBERG PIANO.

\$290.00.

The want has long been felt of a good, useful family Piano, which combined the clearness of tone and the beauty of finish of the most celebrated make, with a moderate price. To meet this want "The Thalberg" is now introduced into this market, and the patronage of the general public is confidently solicited. If it be asked how it is possible to supply a good Piano at about half the price frequently charged, the answer is plain. There is no "Red Tape" in the making or sale of these instruments, there are no large show rooms to keep up, no grand Music Halls to maintain, or no expensive travelling agents to pay. The Piano can, therefore, be offered to the public at bottom prices, with a fair commission to agents for their trouble. These instruments are all made of a uniform standard, full seven octave, solid iron frame, overstrung bass, carved legs, round front corners, serpentine mouldings, and double-veneered Rosewood cases. Purchasers may, therefore, order these instruments with confidence, as each is fully warranted. The mottoes with the Thalberg Piano are—"A Piano for every family," "Small profits and large sales," and "Cheap for cash against dear on credit." In order to put this Piano within the reach of the public generally, it has been decided to offer it at the extremely low price of two hundred and ninety dollars (\$290) each, for prompt cash. Believing that this instrument will be largely used in schools and convents, an extra discount of 10 per cent. will be allowed for such uses, and also to clergymen and teachers for the use of their families.

Full particulars can be obtained from the agents of "The Thalberg" Piano, in all the cities and leading towns of the Dominion, with whom samples of the Piano may be seen. Parties desiring agencies apply to

WALTHAM WATCHES.

These watches are now before the public for over fifteen years, and, considering the large number sold, have given very general satisfaction. When first introduced the prices were high, but now they are in the various grades so cheap as to be within the reach of all classes. The popularity of these watches led to the introduction of sundry worthless Swiss imitations, with Trade Marks somewhat resembling those on the genuine Watches. No doubt in some instances this has injured the reputation of the genuine Watches, but every buyer should demand the Printed Guarantee Card of the Company. In this there is every protection against imposition by unprincipled dealers. The brands of American Watch Company, Appleton, Tracy & Co., Waltham Watch Co., P. S. Bartlett, Wm. Ellery, Home Watch Company, and the Broadway, are now universally known by the trade and by the public. The lowest of them will keep better time than almost any watch for the price. Those Watches, in Coin Silver Cases made by the Company, from 2 to 6 ounces, may be had through all watch dealers in the Dominion; we supply none to private parties. Also in Gold Cases, 14 and 18 carats, for ladies and gents, of all weights. The cases we supply are all of guaranteed quality. We are now offering to the trade the largest supply of these Movements ever offered in Canada; and to buyers of fair lines we offer greater inducements than were ever offered in the United States or Canada. Dealers should send to us for the Company's new reduced price lists, and should forward their orders at once.

GOLD CHAINS

Of reliable fineness, may be secured by purchasers asking for these stamped R. W. & Co., whether in bright or coloured gold, the quality of all such being fully guaranteed. No greater delusion can prevail than the purchase of cheap chains. Goods of that class are often imported from Britain, the net value of gold in which is not over eighteen pence per pennyweight. Those desiring reliable chains must pay a fair price, and rely upon the character of the makers to get value for their money. Guaranteed Chains in GUARDS, VESTS, OPERAS, LEONTINES, NECKLETS, &c.
