SOME GOOD WORDS ABOUT THE PROOFSHEET.

It is a first-class assistant in every respect, and fills a long-felt want.—*T. W. Richardson, Foreman Times, Roanoke, Va.*

Besides the valuable reading-matter it contains, it commends itself to my eye as a thing of beauty in the typographical line; 't is a joy to look at its pages.—*Mrs. E. B. Burnz, New York.*

One of the most spicy little magazines that reaches this office is **THE PROOFSHEET**, a monthly publication, devoted to the interests of proofreaders. It is full of good reading-matter, news and literature, and should be read by every proofreader.—*The Union Printer and American Craftsman.*

THE PROOFSHEET is a valued publication that reaches this office monthly. It is printed for proofreaders and its menu is always rich and varied. This interesting little journal is issued for \$1 per year, and gives for this outlay a generous supply of instruction and entertainment. To proofreaders it is invaluable.—*Missouri Editor.*

THE PROOFSHEET is a little monthly, published by the Ben Franklin Company, of Chicago, devoted to all matters appertaining to the duties of the proofreader. The typewriter operator should be as well informed as to correct methods of spelling, punctuation, syllabifying, paragraphing, capitalizing as is the most critical proofreader or compositor, and he will find the same kind and as large of measure of benefit in the careful study of such a publication as **THE PROOFSHEET** as will a member of the special class for which it is designed.—*Phonographic Magazine.*
