## The Whole Family Appreciates

# ENO'S FRUIT SALT

It keeps them in good *natural* health. Dad takes a spoonful in a glass of water each morning to remove gases from the stomach—clear his liver, and get ready for the day's business. Mother wards off that approaching headache. The kiddies get a drink of Eno's, whenever they are not regular, or when too many cakes or goodies have been eaten.

Thousands of families who never need "dope" take Eno's in this way as a corrective—Test it for yourself. A spoonful in water makes a delightful drink—cool, sparkling and effervescent. It rids your blood of impurities, cleanses and stimulates the organs of your body into healthy action. Eno's is the only and original FRUIT SALT. It is endorsed by Medical Men and has been tested and approved literally from pole to pole.

"For Every Member of the Family."

You'll find ENO'S in the Best Homes.
