without letting you know what benefit I received from your Liniment. For five years I had a sore shoulder, which prevented me from working or from sleeping at night. I had tried every thing possible and still could find morelief, until I was advised to try a bortile of your liniment, which I purchased without delay. I only used one-half of the bottle when I was completely cured, and now I feel as if I never had a sore shoulder. I would advise anyone suffering from rheumatic pains to give your liniment a tried, for I cannot praise it too highly."
