### THRILLING CONTEST TO THE TORONTOS

Down Canadiens in Fast and Hard-Checking Game at Arena.

Charlie Querris's Bluebirds are on the top rung of the N. H. L. ladder, side by side with the Canadiens. The climb to the dizzy height was made at the arena last night when the Toronto owned the Frenchmen in a sizzling game 6 to 4.

About 4500 fans crowded into the big arena and every one went away satisfied. Querris showed the fans two new players in Holmes and Mummy and to say they made good is putting it mild. Holmes made a favorably compared with Vesina and to our way of thinking this is the highest compliment that can be paid to a net-minder. Big Mummy is just the man we have been looking for. It was his hard checking that kept the Canadiens out of the net and his fast and accurate passing that was the key to the victory.

It was also a sturdy checking game, with the Canadiens opening the hostilities in a fashion that showed that they were out to get the man whenever the opportunity offered.

Couture, a spare seldom used in ordinary games, was sent on the ice on several occasions and it seemed funny that he made tracks for the man that has been the red-shirted outst. Most trouble at the time. He mused with (Hendall) and tried his hand at Noble. Newby Lalonde took a few raps at Noble and both were bruised and cut up in the struggle.

Outside of the rough stuff it was a grand game. The Toronto bats the Canadiens with their speed and back-checking, and on last night's form will be hard to break with the Canadiens. The players had the confidence in Holmes and put a dash into their play that was lacking in other games. Holmes played his best game of the season and it was his back-checking that stopped the Canadiens on several occasions. Holmes looked dangerous. Skinner collected Toronto's first two goals and his work around the net was perfect. Noble, despite the rough passage accorded, played a sterling hockey. Hendall did little work in the opening, but he was a penny more like a mad man and checked hard. He tried to break through the Canadiens but it was not to be wondered at when one looked at the pace set.

Mummy was an ideal defense. It takes a mighty good man to get past Mummy and Cameron in the man to break with the Canadiens. Cameron turned in another of his good games.

The first was the best period. Only one goal was scored and Skinner netted this after ten minutes of strenuous play. In the first few minutes Noble followed in the puck and Lalonde and Hall sandwiched him in between them and gave him a shaking in the early part of the game. Several inches of skin off Lalonde's face. On the next rush Lalonde deliberately met Noble with a cross-check and rightly earned a penalty.

They tore up and down the ice at marvelous speed and Mummy showed his worth by getting in front of the Canadiens puck-carryer and blocking him off. Lalonde tried every trick to get in close but failed. Holmes took the shots from every angle and it was the best exhibition of goal-tending that the local fans have seen in many a day.

The only goal of the period came ten minutes after the start. Denny was in behind the net and passed out to Skinner. He netted in under Vesina's feet. It was really done. Just before the tally Couture tried to jam in from the left. He got in sturdy style but was blocked by the Toronto player and carried him to the ice and passed the puck to Noble. When the two players returned to the ice Lalonde tried to cross-check Couture and was latched.

The Toronto had a better system of attack and Vesina had the hot price going right to the first bell and it was thrilling hockey.

The second session was different. The Toronto looked as if they had skated themselves out and lacked the dash that was the first round. The blue shirts were all right for the first few minutes and netted the puck twice in minute and a half, and then tailed off. Skinner followed them and grabbed a puck after following them and grabbed a puck after following them and grabbed a puck after following them.

Canadian team, went up to the net and scored.

I named down and only the good work of Holmes kept the enemy from getting the goal. They prepared them at Holmes and finally Malone batted in a rebound and Holmes came out to make a sensational stop from 15 ft. at close quarters. This ended the scoring for the night.

This was another lively net-to-net game. The Toronto came again and displayed that firing checking and speed that nobody could deny. Meeking tore off a knee run for one and Noble batted in a rebound from 15 ft. at close quarters. The Canadiens then ran in three in a row in goal space and were only one goal down. Mummy was on the bench with a sore knee from a lift and when he was scoring stopped. Hendall got the last goal of the game from a pass from Meeking. It was the ending of a very satisfactory game from a local standpoint.
