GRAIN AT WINNIPEG

Winnipeg, March 11.-The demand for oats was poor today, spreads declining %c to 1c. The reason for this is that offerings were slightly better and the railroads have put an embargo on eastern shipments. The barley market was strong and higher by 2c on the lower grades and spreads 1c better on the higher grades. Offerings were very light.

Flax spreads were unchanged to 1/4c better with practically no business in the cash demand. Oats futures closed %c lower for May and %c lower for July. Barley closed 4%c higher for May. Flax closed 7%c higher for May and 7c higher
