BRITISH BY-ELECTIONS.

London, Nov. 24.—Four by-election results are due this week, viz., Chesham, Leamington, Plymouth and Tynemouth, Friday. Chester anticipates a labor success; the other constituencies expected to return government supporters. Spectators of Lady Astor's campaign think she will win, although they confess fear that during the last week of the contest she was rather lacking in vigor.

TWO AVIATORS KILLED.

Philadelphia, Nov. 24.—Lieut. Robert Thompson, Washington, D.C., and Fred Thompson, Dover, Me., a civilian aeronautics instructor, lost their lives today when a naval airplane of the "N. MEETING WAS HOAXED ON WILSON'S DEATH

Fake Telephone Message to Vice-President Broke Up Meeting in Tears.

Atlanta, Ga., Nov. 24.—State and city officials today were investigating a hoax perpetrated here last night by an unidentified man who telephoned to the city auditorium where Vice-President Marshall was speaking, that President Wilson was dead and that Washington was calling Mr. Marshall on the long distance telephone. After Mr. Marshall had announced the message to the audience, women began to weep, and at the request of Governor Dorsey, who was present, a minister offered a prayer. As the audience filed out the organizer played "Nearer, My God, to Thee."

Persons leaving the auditorium spread the report over the town and services at several churches were abruptly ended. Meanwhile Mr. Marshall communicated with the Associated Press and learned that the report of the president's death was without foundation. Governor Dorsey was communicated with and he immediately offered a reward of \$100 for the arrest of the man who telephoned the false report.
