

A wound never matures in less than two days.

solvent, nine of Relief, and twenty-four boxes of Pills. I got the medicines from G. Grenvill.

Please send me your book "False and True."

MRS. C. KRAPP.

Another letter from Mrs. C. Krapp.

August 18th, 1875.

Dr. RADWAY—*Kind Sir*: I take the liberty to address you again. My health is greatly improved by the use of your medicines. Three of the tumors are entirely gone, and the fourth is nearly so. Dropsy is gone, health still improving, and my weight decreasing very fast. I have had a great many calls this summer to inquire of the wonderful cure your medicine has done for me, one from Ohio, one from Canada, three from Jackson, and quite a number from this place.

Yours, with respect,

MRS. C. KRAPP.

We are well acquainted with Mrs. Krapp. She is an estimable lady, and very benevolent. She has been the means of selling many bottles of the Resolvent, by the druggists of Ann Arbor to persons afflicted with internal tumors. We have heard of some wonderful cures effected by it.

Yours respectfully,

EBERBACH & CO.

DYSPEPSIA.

HUNDREDS of maladies spring from this complaint. The symptoms of this disease are the symptoms of a broken-down stomach. Indigestion, Flatulence, Heartburn, Acid Stomach, Pain after Eating—giving rise sometimes to the most excruciating Colic—Pyrosis or Water Brash, etc., etc.

RADWAY'S SARSAPARILLIAN, aided by Radway's Pills, when needed, is a cure for this complaint. It restores strength to the stomach, and makes it perform its functions. The symptoms of Dyspepsia disappear, and with them the liability of the system to contract diseases. Take the medicine according to the directions, and observe what we say in "False and True" respecting Diet. The subject is too long to introduce in our Almanac, and Dyspeptics must heed those rules.

TO DR. RADWAY—*Dear Sir*: I have for years been troubled with Dyspepsia and Liver Complaint, and found but little relief until I got your Pills and Resolvent, and it made a perfect cure. They are the best medicines. I ever had in my life; I will never be without them. Please send me a copy of your "False and True," also a copy of your "Illustrated Treatise on Irritable Urethra and Self-Abuse."

Your friend forever,

JOSEPH FRANKLIN.

KIDNEY TROUBLES—RADWAY'S PILLS.

ATHENS, OHIO, June, 1879.

Dear Sir: I thought I would write you and tell you what wonderful work your Sarsaparillian Resolvent has done for me. Six weeks ago I could not move without the greatest pain with Rheumatism of the Kidneys. I have tried every kind of liniment and different medicine, and had my doctor to prescribe; but nothing did any good until I tried your Resolvent. I took three bottles (and just sent for three more). Your Pills are a God-send. I have recommended them to over a hundred persons, who all say that they found them the best Pills that they ever took.

My sister, Mrs. Laura Kopf, has taken over two hundred boxes, bought of Dr. Robert Lansing, since 1864, and I cannot tell you how many I have taken. I get a box every two weeks. I could not live without them. I trust your days may be long in the land of the living, and that the Giver of all good gifts may shower down his blessings upon you, is the prayer of one whom your good medicines have saved from an early grave.

ASTHMA.

ST. PAUL, MINN., September 15th, 1879.

Sirs: I am using your Resolvent and Pills for the Asthma. I find they do me more good than any other medicines I have taken. I have had a hard time last week with the Asthma, but I am over it now. It was three years ago that I first commenced to take your medicines for the Asthma, which relieved me at once.

Art aids, but nature performs the cure.

Vomiting, stupidity or delirium occasioned by a wound in the head is bad.

After a flux of blood, a delirium or convulsion is bad.
