### CELEBRATIONS ON SATURDAY.

**Latest Items From Toronto Junction, North Toronto, Thornhill and District.**

Toronto Junction, June 25.—(Special).—Mr. Charles Piggott was yesterday married to Miss Clara Bond, at the residence of the bride's uncle, Richmond Hill.

J. Patterson had his wheel stolen whilst working on Western-avenue Friday.

The roofers yesterday beat Lambton Mills in a game of baseball—Credit 7 to 4.

The Milton Lacrosse Club visited Weston on Saturday, and were beaten by the club there in a closely contested game. Score 6 goals to 4.

Rev. W. H. Barker preached his last sermon in Annetts-street Methodist Church to-night, and took for his text the words in St. John's gospel: "As Moses lifted up the serpent in the wilderness, even so must the Son of Man be lifted up." Mr. Barker went to Orangeville, where he will be succeeded by Rev. Dr. W. K. Parker.

Coroner G. W. Cleland has decided not to hold an inquest upon the remains of Melville Paterson, who was drowned in Kennedy Park on Saturday morning.

Funeral will leave his father's residence, Hummerdale-avenue, at 1 o'clock to-morrow, for Springfield-on-the-lake, where the interment will take place.

The Sunday school children of Etobicoke yesterday afternoon under the care of Miss Hign Park. There were 14 wagons, containing children from Zion, Ebenezer, Glenview, Milton, Elmbank and other places.

### North Toronto.

The Toronto Suburban Railway are anxious to lose no time in securing, if possible, the granting of the charter of the company after in the western portion of York Township. The Council will meet in regular session on July 3, but this, it would appear, is too far distant for the railway, or at least as one railwayer expressed himself, would take too much time for the people to sit up and wait for the railway on Friday next, and on condition that the company pay the Fishers indemnity for the assembling, the request has been granted.

The annual garden party of St. John's Church, York Mills, associated with St. Clement's, Eglington, was held on Saturday afternoon at the pleasant grounds of Mr. James Whitten at York Mills. The event was well patronized, and special arrangements were made for the gathering. One of the most pleasing features of the day was the presentation of a horse and buggy to Rev. J. W. Powell, which had been subscribed for by the parishioners.

Mr. Wm. Woods of York Mills is under treatment for a sprained ankle.

### Thornhill.

Miss Nettie Wilson entertained a large gathering of friends at her parents' residence, "The Maple," on Saturday afternoon. The occasion was the celebration of her 25th birthday, and the social gathering was a fitting tribute to such an auspicious event.

The village band played and the young ladies of the Methodist Church related tea cream to couples who sat around the tables on the cool lawn of the garden.

On Saturday night, this was the beginning of what is to be a weekly gathering, and the band has been benefited by new blood, and has made much advancement on its former good performances.

Tartarion Lodge, A.F. & A.M., met on Saturday for the installation of its new officers. Dr. W. C. Pro. John Fisher was installed master, a duty he has performed now for nearly twenty-five years. The new officers are: Bro. J. C. Steele, P.M.; Bro. H. Horne, W.M.; Bro. J. D. Drury, J.W.; Bro. H. B. Schmidt, Chap.; Bro. J. E. Francis, Treas.; Bro. G. A. Langstaff, Sec.; Bro. W. R. Thompson, L.G.; Bro. E. J. Tyler, Bro. J. Forbes, S.D.; Bro. W. L. Bond, J.D.; Bro. J. Brecken, J.R.; Bro. A. Miller, S.S.; Bro. A. Muckle, D. of C. A number of brethren from York Lodge were in attendance at the ceremony.

Miss Oester left in a very low condition of health, an operation having had to

be performed on him during the week for tumor in the bowels.

### East Toronto.

East Toronto, June 25.—(Special).—Headed by the King, Queen, Prince and Drum Band, Coronation L.O.L., No. 215, in uniform and regalia, together with visiting brethren, marched to the High Methodist Church this morning, where their chaplain, Rev. J. D. Fitzpatrick, addressed them from the words in Exodus xiv, 15, "Speak unto the children of Israel that they go forward." The critical position of the children of Israel with the Red Sea in front of them, mountains on either side of them and Pharaoh behind them, was likened unto Protestantism today. The sea was the great sea of opportunities. The mountains were the social evils and the old Pharaoh was the Roman Catholic Church. The children of Israel, but a short time before, elated at their escape from Egypt, were now depressed, so, after the victories won by Dewey and Sampson at Manila and Santiago, and the freedom of thousands of persons from the clutches of the Roman Church, came the aperv of a rising of a Roman tendency in the ranks of the Church of England, and this monster again showed its head. He trusted that the great power of evangelism in the Church of England would grind under its heel every vestige of ritualism and popery, and that they would lead the cry to "go forward."

The Epworth League of Hope Methodist Church leave per steamer White Star for Lorne Park at 9.30 and 2.15 to-morrow (Monday). They are to have games, races and a baseball match there.

The proceeds of the garden party in connection with St. John's Church, Norway, after paying expenses, amounted to \$195. Rev. J. D. Fitzpatrick left on Friday for a week's bicycle tour.

The Norway Public School trustees will again consider the water supply question at a meeting to be held to-morrow (Monday) night.

The East Toronto Baseball Club played on the Toronto baseball grounds yesterday against the Royal Canadians and were victorious by a score of 16 to 15. A somewhat remarkable play was made by Ed. Taylor, who ran about 100 yards to catch a skater and caught it just as it touched the ground, then, turning a somersault with the ball in his hand, he threw it to third in time to stop the runner. Before the game started F. Liddle and R. Duke ran together in trying to catch a ball. Duke was unable to play during the game from injuries received about the face, and F. Liddle had his leg badly hurt.

Frank Wisler of Ontario-street, Toronto, appeared before G. W. Ormerod, J.P., yesterday and was fined \$10 and costs or 30 days for creating a disturbance at Victoria Park. The fine was made the heavier because in the first instance he gave a fictitious name to the police.

Fully 15,000 persons visited Manno Park on Saturday. The greater number of them were from the city, but there were also several wagon loads of children from Union School sections, between York and Scarborough, also some from Markham.

### Weston R. C. Picnic.

The Roman Catholic picnic at Weston on Saturday was the great success which this event usually proves to be. Fine weather, a good band, an orchestra for dancing, and booths of various kinds helped to make the affair enjoyable, and to these was added a liberal program of sports. The three-minute trot was won by Marion, owned by R. N. Boyd of Toronto; Lulu M., owned by William Smith, took second, and A. Layton's male M. took third. A capital baseball match was played between Carlton and Weston, in which the home team were beaten by a score of 11 to 7. In the seventh innings W. Biea and Madocks made a fine triple play. The bat-teries were Stapleton and Meulles for Weston, Maxwell and Mahoney for Carlton. There was also an exciting game of football, which was won by the dore Vales over St. Mary's. Other events and prize winners were:

One mile open bicycle race—M. Kelly 1, W. Morton 2, A. Ross 3, J. Sherk 4.

Bicycle race, open—W. Morton 1, J. Sherk 2, Ross 3.

Boys' race under 16—W. Morton 1, J. Sherk 2, Charlton 3.

Boys' foot race—Frank Hill 1, Charlton 2, Anderson 3.

D. Biea, R. Smith and Angus Kerr were the judges.

### Lake Shore Road.

The members of Bloor-street Presbyterian Church, to the number of about 500, Rev. W. O. Wallace pastor, spent Saturday picnicking at Long Branch.

The Swansea baseball club were on Saturday defeated by the Dodge Manufacturing Company team by a score of 17 to 13. Henry and Brindson were the battery for Swansea, and W. McConkey and Hines for the Dodge Company. Next Saturday they play Lambton.

On the invitation of Mr. R. G. Kirby, leader of Trinity Methodist Church, church, Rev. Dr. Towell, pastor; Rev. E. K. Young, assistant pastor; and The Christian Guardian, and the choir of the church, paid him a visit Saturday at Long Branch, as well as other members of the congregation.

Mrs. P. B. Fetherstonhaugh entertained at after-dinner on Saturday at her residence, Lynne Lodge. The guests were entertained to delightful music.

An old landmark has come from Swansea in Mark Coe, who, in his 86th year, was laid to rest in Bloor-street cemetery yesterday. His father lived on the estate in Suffolk, upon which the Duke of Wellington's army pastured after the battle of Waterloo, and Mark inherited the military instinct, being orderly of Col. Cooper in 1861.

Other British soldiers in the early days he was given land, where now the centre of London, Canada, was the site of the Swansea estate. He died in 1894, and worked for the late J. G. Howard, donor of High Park, and his son, deceased, was very widely respected and leaves three sons and two daughters to mourn his loss.

### S. Olave's Garden Party.

The beautiful lawn of Mrs. McLaughlin at Sunnyside was the scene of a decorated Saturday evening, the event being the annual garden party of S. Olave's Church.

The Swansea band's orchestra played some very pretty selections whilst tea was being served, also by the spare mounts of the evening. Booths and attractions were there in plenty, and during the evening an excellent concert was given. The Toronto Junction quartet, consisting of Messrs. J. and E. Hoover, W. Locke, O. Johnson and Charles Cookwell, gave "Fairy Moonlight" and the "Picnic Glee." Miss Edith Hall sang "Simple Aven." Mrs. Shields secured success in "Kentucky Bait." Miss Sautler in the "Florence Song" and the "Magic Song" were well received. The Misses Bragg and Miss Kathleen Bourne also contributed to the program, as well Mr. Millard, Miss Hazen and others.

### Gaelic Picnic.

The Gaelic Society of Toronto held their annual picnic at High Park on Saturday afternoon.

The society and its friends gathered in over 200 strong, and the afternoon was pleasantly spent in games, dancing and music. Mr. Murray, Ross and Richardson made the welkin ring with the notes of the bagpipes. Mr. Donald Morrison, who was indefatigable in his efforts to promote the happiness of the company, and the result was the most successful picnic in the history of the society.

### Dunn-Avenue Methodists.

The Dunn-avenue Methodist Church yesterday commenced a series of misanthropic at Dunn-avenue. They were conducted by Mr. Stevens.

### MONTREAL'S ACCUSATION.

Says It Lost \$230,475 on the Bond Deal and an Investigation Is to Follow.

New York, June 25.—The main feature in municipal bond circles yesterday was the announcement that a syndicate of Chicago bankers had secured the \$3,000,000 3 1/2 per cent. 40-year Montreal gold bonds.

The issue was taken on a 3 1/2 per cent. basis, and the syndicate included Parson, Leach & Co., the First National Bank, the Illinois Trust and Savings Bank, N. W. Harris & Co. and Tevitt, Trumbull & Co.

In the past Canadian capitalists have taken more or less interest in American securities, but American capitalists heretofore have rarely invested in Canadian securities, although many years ago part of the Quebec loan was taken in this city.

Chicago in this last operation supplied London in supplying capital to Canadian municipalities, and heretofore has been the cause of the deal.

### To Investigate It.

Chicago, June 24.—A story from Montreal says that city lost \$230,475 in the \$3,000,000 bond deal with Chicago syndicate, and that the matter will be investigated by the Council Monday night. Suspicion is cast upon the Finance Committee of the Montreal City Council.
