GREAT DAMAGE DONE BY WINTRY TEMPEST IN NEW BRUNSWICK

Loss From Gale at St. John Will Be \$75,000-Many Accidents.

St. John, N. B., Oct. 31 .- Damage to the extent of about \$75,000 was done in this city and vicinity by a 50-knot gale and tremendous tide last night and early this morning. Many trees were blown down; shipping wharves and buildings were damaged, and wires

disarranged. say this forenoon Patrick Kirkpatrick, son of William Kirkpatrick, a soldier

oversees, came in contact with a live wire which was carried down by a failing tree, and was killed.

The Government wharf near the Atlantic Sugar Refinery was badly damaged, the waves carrying away one section, overturning five box cars, and derailing nine others. The planking of several othen wharves was torn up. The two-masted schooner Onward was driven ashore at the lower cove, and while driftin; crashed into the schooner Tourist, of Dipper Harbor, and dismantled her. The stern of the Onward was badly damaged.

The waves swept over Navy Island, carrying away everything movable.

The Canadian Government Railroad was washed out near Upper Dorchester for 150 feet by the big tide. The track was repaired during the day.

Considerable damage was done to trees and buildings at Moncton, Buctouche, Frederiction and elsewhere.

Military voters stationed in Canada will cast their votes on the same day as civilian electors. But the difficulties of an election day at the front have made changes necessary.

Nominations take place November 19. The solders overseas will begin to vote about November 26 and continue until the civil population of Canada votes December 17.

The vote will not be counted immediately in complete form, and the result will not be finally known for some days after the ballot boxes have been closed. If the vote is close the result may not be known until the end of January.

Parliament Meets February 28.
Writs were issued tonight. The call for a general election on Monday, December 17 with nomination day will be counted at the office of the Canadian high commissioner in Paris, those cast in the United Kingdom will be counted at the office of the Canadian high commissioner in London. For all ordinary work the Dodge Universal Hanger will meet your shafting requirements completely. The frame is sturdier and better balanced than most hangers. The four point adjustment feature coupled with a reinforced bearing and high grade bearing metal, keeps the shaft running true with little need for attention. Consequently there is less friction and less danger of power waste through belt slippage.
