CANADA'S STATUS IN WORLD LEAGUE TO BE DEBATED AGAIN

How Will Dominion Be Affected Following U. S. Refusal?

[Canadlan Press.]

Ottawa, April 5.-Canada's status as a nation is to be again debated in the House of Commons. A new point has arisen in the minds of some members. It is the effect that the refusal of the United States to become a member of the league of nations will have upon the Monroe doctrine. Just what effect this will have is to be the subject of a

DISCUSS CHURCH UNION

At Meeting of Methodist Ministerial Association Today.

The subject of church union, meaning the union of the Methodist, Baptist and Presbyterian churches of the city, was discussed by Rev. W. R. McIntosh of the King Street Presbyterian Church at a meeting of the Methodist Ministerial Association held this morning, Rev. H. T. Ferguson occupying the chair.

Mr. McIntosh was of the opinion that the union would not come about in the very near future. He said that the Presbyterian General Assembly had refused to take the matter up until one Presbyterian General Assembly had refused to take the matter up until one full year had elapsed from the signing of the peace treaty, and that would mean the matter would not be brought before the assembly for two years yet. He advocated that in the meantime these churches should work together with a spirit of close co-operation.

"If church union does come about, and I sincerely hope it will, it will be the best thing that ever happened in the world of churches, said Mr. Mc-Intosh.

Comments were made by the ministers

EASTER MUSIC IN THE CHURCHES

At the Church of St. John the Evangelist the Easter music was of a particularly bright and joyous character. In the morning the choir sang as a processional, "Hail, Festal Day," and the anthem, "They Have Taken Away My Lord," Miss Thorne rendered, "I Know That My Redeemer Liveth," very pleasingly at the morning service, and Miss Lillian Woolley sang in splendid voice "He Is Risen" in the evening.

The organist, Sidney G. Martin, gave several voluntaries, in masterly style, and was ably assisted by Miss Annie Arnold. The work of the choir boys was also one of the brilliant portions of the services.

Several hundred persons participated in the celebration of the holy communion, the acting rector, Rev. Dr. Waller, being assisted by Rev. R. J. Bowen.
