

AN OLD family favorite—Swiss Milk Fudge. Soft, creamy, fluffy, honey-sweet, marshmallow and milk. Filled with mealy walnuts and plump, juicy raisins, and blended with milk chocolate. Cut up into tempting, mouthful morsels that, as Betty says, make it easy to eat and hard to keep.

Paint to-day Walk on to-morrow

Isn't it true that you would paint your floors oftener if you didn't have to keep the house upset so long waiting for the paint to dry?

Wouldn't you do it oftener if you could paint one half of the floor one day, then move the furniture over from the other half and paint that the next day?

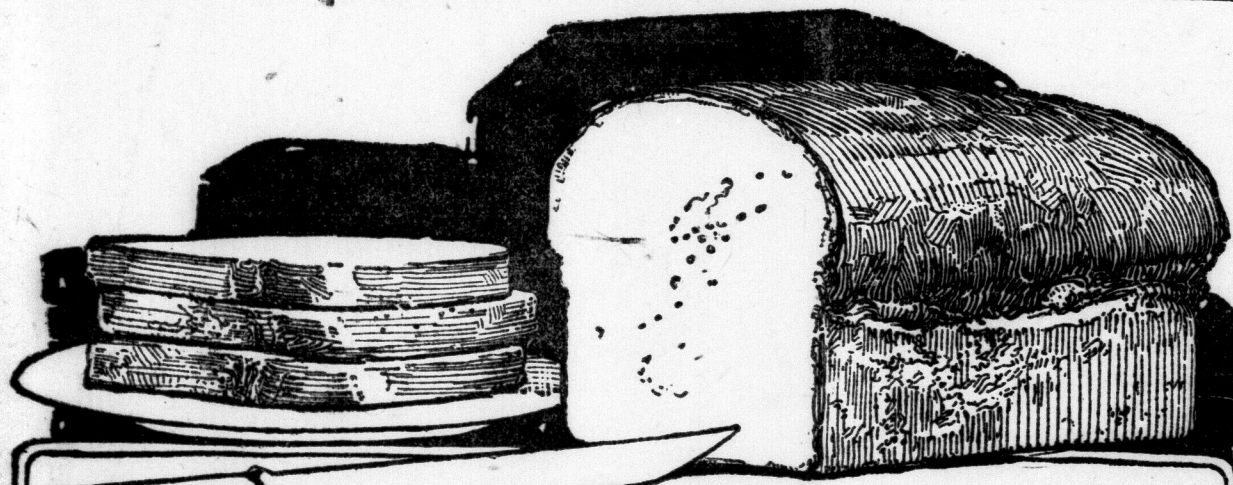

Well, that's just what you can do with Lowe's Hard Drying Floor Paint. This fact, together with the way it stands wear and tear is the reason it is used so much on restaurant floors and ship decks.

Come in and ask for descriptive literature.

Pure White Bread

Pure white bread is welcomed after substituted war-bread. No regulations are now imposed on the millers. Therefore we are turning out nothing but our old-time (pre-war) pure white flour.

In it you find no lumps, no specks, no substitutes.

DIAMOND FLOUR

"Becomes a habit"

because it has that snow-white tender freshness, which makes baking so tastily tempting, and gives it that flavor so indefinable, the inviting nut-brown crust that is irresistible, that flaky softness which everybody desires.

It is the ideal flour for Bread, Pies, Cakes and Pastry. To get the desired results you should use Diamond Flour. Look for the labels on the bags.
