cipal factors in the construction of an extravaganza, 'Night flife in Paris and New York," this season's offering of 'Follies of the Moulin Rouge," is certainly deserving packed houses at every performance. In the attempt to create something far above the usual extravaganza, the management has been very liberal in its expenditures with the result that this particular attraction could easily be placed on the stage of so-called two dollar houses and make good. lucky Jack Devoe, played by Mr.

Simon.

"The Girls From Melody Lane" is Max Witt's newest vaudeville offering. They make excellent music, the harmony being supported by strong, pure contraito and mezzo voices.

The Heim children make their first appearance here. They have won the distinction of being America's foremost juvenile comedians. Their mimicry is nothing short of marvelous, and their sengs are up to date and tuneful. Paul Quinn and Joe Mitchell are in for a warm welcome, with their funny skit, "The Lemon City Land Agent." The Myrtle-Byrne Company made their first appearance here and present Miss Myrtle Byrne, the champion rifle shoot-An all-star cast is headed by Chas. Howard, the magnetic little Hebrew comedian, and there is a chorus of thirty luring and bewitching damsels.

As special attractions some Spanish lances will be offered by La Fattlian. in first appearance here and present Miss Myrtle Byrne, the champion rifle shot of the world, in her wonderful shooting act. Mareena Nevara and Mareena are comedy acrobats of the best sort, and are favorites with Sheagoers. The kinetograph closes the bill with a full line of new pictures.

Star.

The "Big Review," W. F. Stairs' own company, comes to the Star Theatre all next week, and local theatregoers will have an opportunity of judging for themselves what a high-class burlesque company is. This troupe is one of the "The Bridge" Coming.
One of the many incidents that lend charm to the performance of "The Bridge," in which Guy Bates Post will appear at the Royal Alexandra week of Oct. 18, occurs during the bridge scene when a poor homesick Bchemian laborer is hoisted on a girder high up into the flies and out of sight, singing the while a plaintive native melody. "The Bridge" Coming. company is. This troupe is one of the most remarkable of its kind. It is thoroly up-to-date and original, which is a broad assertion to make in view of the fact that the the fact that this is a progressive the-atrical era. The company presents "Frivolities of 1919," a brand new two act musical comedy by George Totten Emith. The piece is very much above the ordinary, with novel and side-split-ting situations, wholesome humor, melodious music and a scenic equip-

LITTLE ILLS OF CHILDHOOD - HOW TO CURE THEM

melodious music and a scenic equipment that would be the saving grace of a much less pretentious offering.

The second act shows a country grocery store where all the characters assemble and figure in some of the most side-splitting complications and situations ever devised by any playwright. In point of scenic investure and effects the comedy is said to contain more than the usual share and in its entirety the production is most On the word of mothers all over Canada there is no other medicine can equal Baby's Own Tablets for the cure of such ills as indigestion, colic, diarrhoea, constipation, simple fever, worms and teething troubles. This medicine is good for the new born baby or the well grown child. Absolutely safe—you have the guarantee of a government analyst that this is true. Mrs. G. S. Ward, Rivington, Que., says: "I cannot praise Baby's Own Tablets warmly enough. Sold by its entirety the production is most Glorious music by one of America's Que., says: "I cannot praise Baby's most notable orchestras, the New York Symphony of 60 players under the direction of Mr. Walter Damrosch, would be itself he a great attraction, but when Symphony of 60 players under the direction of Mr. Walter Damrosch, would in itself be a great attraction, but when to the music is added rarely beautiful and graceful dancing, the poetry of motion glorified by radiant colors and fairy-like garments, the performance becames most uniquely; attractive.
