The Viper of Milan. A ROMANCE OF LOMBARDY. BY MARJORIE BOWEN.

(Continued.) "Not!" he cried. "Not fifty not a hundred thousand men, to make sport for Visconti's leisure hours—Visconti who holds nine towns of mine alone, Visconti who is lauded by France and has the empire at his heels, Visconti who has gained Bergamo, Lodi and Bologna and has half the mercenary of Italy in his pay! No, d'Este, I have been too great for that. Since you so forget what I have been, and who my wife is—I will leave thee, nor trouble thy peace for men thou canst not give ungrudgingly. And thou, Carrara, I will leave thee—in thy blind folly, to wait for Visconti's eye to fall on thee; all thy prudence will not save the then. Meanwhile, I will try in the towns of Tuscany if there be men left in Italy to face a tyrant!"

They sat silent beneath his wrath, and he turned to go, but paused and looked back to them with a glance they could not meet.

"Only hear this before I go," he said passionately, "there is one thing thy faithlessness shall not touch, one thing I will achieve without thy aid, though thy meanness leaves me, and that is, at any cost, the freedom of my voice trembled. 'What wouldst thou have, Mastino?' cried Ippolito after him, half-distracted.

"I will follow thee," he cried. "What wouldst thou have, Mastino?" cried Ippolito after him, half-distracted.

THE PENITENT. She is so pretty as she goes To penitential prayer I can but wonder if she knows That she is very fair.

Are all her thoughts upon her book, Her sins and sacrifice, Or does she think how she may look And if her gown looks nice?

At last she lifts her gaze to mine, For shame I cannot speak, I see a peerly tear-drop shine And fall upon her cheek.

How could I doubt one moment where Her fainter thoughts were cast, 'To think,' she says, 'I've got to wear My last year's Easter hat!'

NEW COMPANIES TO CURE THE THROAT--TREAT THE THROAT BUT LET STOMACH DOSING ALONE

Several St. John Concerns Are Seeking Charters. Sensible Advice to Those Suffering From Catarrh, Bronchitis, Hoarseness, Etc.

Years ago doctors administered Catarrh medicine through the stomach. Little good resulted—the disease increased and today is a national curse.

Liquid remedies simply pass over the diseased surfaces and lodge in the stomach. The disease you want to cure is not in the stomach hence dosing the stomach is no good.

Use something that goes where the disease really is. Employ an antiseptic that will kill the germs. Nothing so good as healing "Catarrh."

LONDON'S UNEMPLOYED

London, March 27—A general discussion of the problem of the unemployed in the house of commons today led to a sharp encounter with John Burns, president of the local government board, who declared that the destitute of London were the schemes that James Kier Hardie, Socialist member is now pressing upon the too credulous workmen would prove not only costly but morally mischievous and economically unsound.

SURE CURE FOR SCIATICA

Sciatica is really inflammation of the sciatic nerve, the longest nerve in the body. This passive inflammation is the product of a run-down condition, and in every case you may be sure the nerves are worn down.

The pain is the cry of the nerves for more food—for richer, redder blood. Rubbing on a greasy liniment can't help very much—you must treat the blood and rebuild the nervous system.

This can be promptly done with Ferrozene. No builder of nerve force is more powerful. No tonic so quickly fortifies the muscular system, imparts such strength, such endurance and vigor.

Any traces of Uric Acid and rheumatic poison are quickly driven out by Ferrozene. The lowered condition of the system is changed into a reserve of vigor that defies further attacks of Sciatica.

Marvelous in its reconstructive and rebuilding power, quick to give relief, absolutely sure to cure—where can you find a better treatment than Ferrozene? Sold by all druggists in 50c. boxes; try Ferrozene.

INDEPENDENCE FOR DOMINION

Judge Longley Predicts it at Halifax Dinner and is Re-buked. Halifax, N. S., March 27—An interesting incident occurred at the annual dinner of the Mining Society of Nova Scotia tonight. Judge Longley, of the supreme court bench, was responding to the toast 'Canada, when he proceeded to say that the destiny of Canada was independence and that some in the room, he believed, would live to see it.

A stentorian voice in another part of the room shouted: "Never, Stick to the empire." There was considerable confusion and uproar, and the judge was much taken aback.

He sat down with very little appetite, and then the company rose and sang Rule Britannia.

Professor Magny, who was the next speaker, entered his strong dissent to what had been said.

KIDNEY DISEASE COMES ON QUIETLY

Perhaps no other organ work harder than the kidneys to preserve the general health of the body and most people are troubled with some form of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbance of the urinary organs, such as, brick dust deposit in the urine, highly colored scanty or cloudy urine, bladder pains, frequent or urgent urination, burning sensation when urinating, etc.

Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes.

On the first sign of anything wrong Doan's Kidney Pills SHOULD BE TAKEN. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all impurities which cause kidney trouble.

Mr. Thomas Pusey, of Mass., writes: "I suffer from kidney trouble. I was advised to try Doan's Kidney Pills and after taking them I feel like a new man. I had been in bed for several weeks, but now I am up and about and feeling fine."

MUSICAL SERVICE

Splendid Service Well Given in St. John's Stone Church Last Evening. A very large congregation was present in St. John's (Stone) church last evening, when the full choir, under the direction of Dr. Arnold Fox, rendered Mendelssohn's beautiful motet, 'Hear My Prayer,' Mrs. Carter singing the expressive and feeling solo in her artistic and appreciative manner, and being well supported by the choir of forty voices.

Mr. Mayes gave a fine rendering of For Behold Darkness Shall Cover the Earth, from the Messiah, and was heard to good effect in the bass role of the Crucifixion, which he sang sympathetically throughout. Other solo portions were efficiently sustained by Miss Costain, A. G. Burnham and W. H. Holden. The unanimity of expression on the part of the chorus was a marked feature, the nuances of light and shade being well indicated. During the collection Mr. Fox played Gounod's meditation on the first piano prelude of Bach.
