

Chairman, the people have removed the church from the place where it stood outside of the village of Gladstone, to a good location in the village, and the cost of its removal, \$112, has been raised and paid. A revival service at Gladstone resulted in much good, and we are able, amidst all the untoward circumstances of the year, to write increase concerning the membership, being now 75.

W. M. BAKER

SALISBURY.

In looking back over the past year I have reason to exclaim, "Bless the Lord, O my soul, and forget not all his benefits." The promise of the Head of the Church has been verified in my experience. There have been difficulties, but He was with me always. My greatest temporal difficulty has been the loss of my horse, which, without funds, it is hard to replace. But the blessings of the Lord make this, and all other troubles, sink into insignificance. I could wish for more marked prosperity on the Mission, but do not think the year has been spent altogether in vain. All the appointments have been regularly attended to. We have received a number on trial and from other Circuits, but there have been several removals and other losses, so that our increase is small. Financially, the people have done well, considering their ability and the newness of the country. Present membership, 31.

GEORGE K. B. ADAMS.

LITTLE SASKATCHEWAN

We are thankful to say that the work on this Mission is in a favourable state. Throughout the long winter the congregations at most of the appointments have been good; the people evincing an earnest desire to hear the Word, the preaching of which has not been without good results. A church has been erected at Rapid City, the first of any denomination in this place. Substantial provision has been made for the expense in connection with the same. Our Chairman was present at the dedication, and a profitable time was spent. Our Sabbath-schools are doing well, especially the one at Minnedosa, which has been kept going during the whole of the winter. Some weeks of revival services were spent at Rapid City in the winter season, which resulted in some being brought to a knowledge of the truth as it is in Jesus; most of whom have united with us in church fellowship. An early and a very favourable spring has raised the hopes of the settlers here, and the prospects for the coming year are encouraging. Settlers are still flocking in, and we think that, in order to the successful working of this large field, additional ministerial help is needed. Members, 93; increase, 36.
