## TO BE ASKED TO FIX STEEL PRICE

Washington, June 26—The federal trade commission will be asked soon by President Denman of the emergency fleet corporation to fix a uniform price for steel and steel products for all industries throughout the country. The commission will be asked to name a price which will afford the producers a fair profit, not only on steel, but on pig iron, iron ore and every other material entering into the manufacture of steel.

## Anybody that kicks at \$15 for a business suit is no true Canadian, and anybody who thinks he CAN'T get a smart, stylish suit for \$15 doesn't realize the efficiency of our Canadian mills, designers and tailors.

Come in and see. We are proud to stand up for our products.

**BLUE BACKS UP RIVER.**  
Frederickton, Gleaner.—There is a great run of blue back herring in the St. John river at the present time and local fishermen are busy catching them. Fearing a shortage of meat this winter a great many of these fish will be salted down. These fish can also be used as a fertilizer.

# Service that Saves

Goodyear Service to you is a saving service. It saves your tires, your time, your money, your temper, your clothes.

To give you this service we have secured the co-operation of a thousand

business men whose places of business dot Canada from coast to coast.

Their work with us for you is a result of belief—belief in Goodyear products and in Goodyear policies.

That is why they sell Goodyear Tires, Tubes and Tire-Saver Accessories.

That is why they render Goodyear Service at no extra cost to you.

—service that does for you those necessary little things about your tires that you are not generally dressed or disposed to do.

Thus they save your tires, your time, your money, your temper, your clothes.

Furthermore, so strongly do they believe in service, that most of them will go even farther—they will render car service that is equally valuable to you.

Goodyear Service Station Dealers are ready and anxious to render you ser-

vice. They want to win your friendship by proving their value to you. Give them that opportunity.

Drive up to the nearest garage that displays the familiar emblem shown above. 'Twill take only a minute or two. And you will drive away with an entirely new conception of what service can be.

We believe the time you have spent reading this advertisement has been well spent, in that you have learned enough of Goodyear Service to make you want to benefit by it. We believe that the time you spend on your first visit to a Goodyear Service Station will be an even greater investment. You will also gain a far more comprehensive idea of the breadth of Goodyear Service than we can give you here.

Again we say, learn of Goodyear Service by receiving Goodyear Service. It is gladly given by men who are good for you to know.
