## FATHER OF BOY, WHO WON AWARD, FRIEND OF BEAVERBROOK

J. Stafford Williamson Was Schoolmate of Distinguished N. B. Man

Harold J. Williamson of West Saint John who has just been announced as a winner of one of the Beaverbrook scholarships for this year, has been a consistently brilliant pupil throughout his school days and a special interest is added to his having received the award in that his father is Lord Beaverbrook's personal friend and his former schoolmate.

The father, J. Stafford Williamson, and Lord Beaverbrook attended the same school in Newcastle, N. B., and they have always retained a warm friendship. Mr. Williamson served overseas with the 100th City of Regina battalion and when on leave he paid a visit to Lord Beaverbrook at his London office and was most cordially welcomed.

Harold Williamson was born in 1909 and is now in his 17th year. He was a pupil first at the La Tour school, West Saint John, and at that school he won the G. S. Mayes prize for highest standing in Grade VI. For the next three years of school studies he was a pupil at the Albert school and there on each of the three successive years he won the I. O. D. E. prize for history.

He also won the Mayes medal in

## IMPERIAL CROWDS SEE VALENTINO

Late Screen Idol in Leading Part in Sumptuous Paramount Special "Corba"

Imperial Theatre accommodated very large crowds last evening to see the sumptuous Paramount production, "Corba," in which the late Rudolph Valentino was starred as a dashing Italian count, the real Latin type of lover which has become the foreign actor's special attraction. Those who liked the late Rudolph saw him to excellent advantage, with Nita Naldi, Ellen Percy and Gertrude Olmstead as his various sweethearts. "Corba" is a strong story and one of the Paramount brand of Valentino specials issued, this season. The Imperial advanced its booking schedule a little to show it while interest was general in the untimely death of Signor Valentino.

"Corba" is an ideal vehicle for the late magnetic Valentino. It gives him an opportunity to make love, to fight, to suffer and to win the hearts of his admirers on the screen.

The title signifies the lure of a fascinating woman—the same hypnotic charm which the cobra wields over its victims. "Corba" is a modern story of strong love and sacrifice, with most of the action taking place in New York City.

## WINS THREE RACES IN AS MANY DAYS

Lonsett Takes 2.18 Class Event at St. Stephen Races—Close Finishes

ST. STEPHEN, N. B., Sept. 3.—The horse racing today was the best of the meet at the fair and many thrills were furnished in practically all the finishes especially the last heat of the 2.18 mixed when Lonsett, Jack Volo, MacAubrey and Peter-Will-Tell made a drive down the stretch. A blanket could have covered the first three with Peter just a half length behind, Lonsett noosing the others out at the wire. Three wins in three successive days was the record that Lonsett, driven by Peter Conroy, made, winning first money Wednesday, Thursday and Friday.

The Junior Free-for-all was won by The Tank, while Addie Echo captured the 2.30 trot.

## THE GROWING GIRL

Requires a Mother's Constant Care and Watchfulness.

In their early teens it is quite common for girls to outgrow their strength and mothers should carefully watch the health of their daughters at this time, for it is when strength is sapped by too rapid growth that anemia develops. The first signs may be noticed by nervousness, languor and headaches. The face grows pale, breathlessness and palpitation follow, with low spirits.

At the first symptom of anemic mothers should act at once. Neglected anemia often leads to decline, but if you see that your daughter's blood is enriched there need be no cause for anxiety. The finest blood enricher ever discovered is Dr. Williams' Pink Pills. The pure, red blood created by these pills will quickly banish all signs of anemia. They will build up your girl's health and ensure her a robust girlhood. Give your daughter a course of Dr. Williams' Pink Pills now. Make her strong like thousands of girls and women throughout Canada who have been rescued from the clutches of anemia by Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

### REVERSIBLE NAME

ST. JOHN, N. B., Sept. 4.—Reversible ties, collars, vests and shirts are not unknown. But how about reversible names? One man in St. John City has one. He is E. H. Flanagan, of 1018 Jones street. Like Hannah, Anna or Otto the name is spelled the same way, backward or forward.

Mr. Arnold Young, who has been visiting his parents, Mr. and Mrs. F. A. Young, 44 Seely street, has returned to Brookline, Mass. Mr. Young is a soloist in the Leyden Congregational church on Beacon street.

## The new improved Dunlop Bus-Truck Tires

First in Service and Dependability

**DUNLOP** Bus-Truck Tires, in use on the motor coach, sight-seeing bus and express truck in every section from coast to coast in Canada, are an achievement in tire building.

There is built into them the combined knowledge and experience of Dunlop Tire builders in many countries.

No detail of construction in tire building is incorporated in a Dunlop Tire until its worth has been tried out in practically universal usage. Every tire of the past has told the story of its service to Dunlop Tire-builders of to-day.

The owner of a motor bus or truck expects service and dependability in his tires—the service of long mileage, the dependability of sturdiness.

That is what the world's best genius in tire building is putting into Dunlop Bus Truck Tires. No other organization in the rubber industry has as much to give—because, summed up, "Dunlop" is a "Patent Process, Dual Insulated" Tire, that is at once the Most Envied Product in All Tiredom.

### A Service of 40,000 Miles

"This tire has gone over 40,000 miles and is still doing daily duty along with four other original covers with practically the same mileage. At times these tires have carried considerable overloads. You can readily understand this creditable showing is very satisfactory to me."

RAWSON BUS LINE, Belleville, Ont.

## Deaths

Mrs. A. McLean

Friends in Saint John were greatly shocked to learn of the death of Mrs. Angus McLean, of 206 Douglas avenue, which took place at the residence of her daughter, Mrs. Laurendeau Lees, at Newport, R. L., on Friday. Mrs. McLean had been visiting her daughter since July and had gone to Newport to recuperate from her recent illness. She was expecting to return to Saint John on Sept. 18 and had apparently been improving in health when death came suddenly. Mrs. McLean was a daughter of the late Charles and Eunice Titus, of Upham, N. B., and had a host of friends with keen regret. He was the of friends throughout the province who son of the late Johanna and Joseph
