

BOY SCOUTS AND CUBS HAVE GOOD WEEK FEATURES

Two Lectures on Practical Subjects Prove of Keen Interest

WHAT FIRST CLASS SCOUT MUST DO Activities of Troops and Packs During Week Are Detailed

Plenty of action marked the meetings of the Scouts and Cubs during the last week. Several of the groups indulged in glorious bean suppers and other features which are always so popular. Two items which made a special appeal to the boys were the lectures for the week. Scoutmaster E. Boyaner delighted his boy audience with his most interesting talk on Light Color and Vision which he so ably delivered and illustrated. His optical illusions were a source of delight to his youthful listeners. Dr. McIntosh of the Natural History Museum held his audience as he related his camping adventures and showed them articles of camp gear and how to do things while at camp. These included blanket beds, hints on fire making and other things dear to the heart of a Boy Scout.

ENJOY MUSEUM. Then came a tour of the museum with its varied assortment of wonders. Dr. McIntosh was kept busy answering a multitude of questions from the lads. His programme was clinched with a series of lantern slides illustrative of camping and canoeing in New Brunswick. No wonder these boys were delighted.

The Boy Scouts Association in Saint John is very fortunate in securing such able lecturers for the Scout troops, and has arranged the entire district into groups giving every troop the opportunity of hearing these interesting speakers. These lectures are open to the public. Mr. Boyaner will repeat his talk on Thursday evening when he will address a group of Scouts in St. John's (Stone) church.

FIRST CLASS SCOUTS. In previous articles the Tenderfoot and Second Class tests for Scouts have been outlined. Following are the tests required for a first class Scout. To qualify as a first class Scout, a second class Scout must: 1. Swim 50 yards, or if a doctor certifies that bathing is dangerous to the boy's health the boy must pass one of the following proficiency badge tests: Ambulance, cyclist (or horseman), fireman, interpreter, marksmanship, pathfinder, public health, rescue, signaller, etc. 2. Have at least one dollar in the bank. 3. Make a journey and write a report of observations, etc. 4.

Pass an advanced test in first aid. 5. Pass an advanced test in camp cooking. 6. Read and draw a rough sketch map. 7. With an axe fell or trim timber, or produce a work of carpentry, or a model of machinery. 8. Pass a test in judging distances, height, etc. 9. Recruit and train a Tenderfoot Scout.

Many of the city Scouts are working hard to complete their first class tests; this requires time and application as the tests imply and the Scout who finally completes this test is a real Scout and one who will remember his training many years after he has severed his connection with his troop.

The Scouts and Cubs of the city are entering with enthusiasm into the ticket selling competition in connection with the illustrated talk by the "Bird Man" in St. Vincent's Auditorium on February 3. Many troops have set their objective in large figures and are working with a will to secure a substantial cash prize which will be awarded to the troop with the largest returns in proportion to its membership.

NO. 19-ST. JUD'S TROOP. Twenty-two Cubs were present at last Thursday's meeting. After the opening ceremonies, the usual program of games and instruction was followed. Arthur Baldwin and Ernest Phinney were invested as Tenderfoot Cubs. We were very glad to welcome a few visitors. One new boy joined.

NO. 5-ST. JUD'S TROOP. Meeting opened at 7 o'clock, with A. S. M. Wm. Edwards and S. M. T. A. Linton in charge. Games were enjoyed with the Kirk Scouts, who were our guests for the evening. Patrol corners with patrol leaders in charge, proved of value. Next came Scoutmaster E. Boyaner's illustrated talk on Light Color and Vision. This proved intensely interesting, and Mr. Boyaner was heartily thanked. At an enjoyable socialistic show, addresses were heard from Messrs. Boyaner and Johnson, while the songs were sung with enthusiasm. After the meeting the court of honor was held and many matters of long standing were cleared up.

NO. 17-TRINITY TROOP. Trinity Troop this week had the pleasure of another visit from District Scoutmaster C. J. Lawson. Mr. Lawson gave a very interesting talk on snakes and reptiles and told the boys of his experiences with the mongoose. The remainder of the evening was spent in games and Scout practices. We also welcomed Scout Springhouse, from Holland, who was in our city for a few days. The patrol competition now stands: Wolves, first; Beavers, second; Roosters, third; and Foxes, fourth.

NO. 8-MISSION TROOP. Mission Troop, No. 8, met on Tuesday evening for the weekly meeting. An improvement in attendance was evident, and soon we hope to have a troop of good strength. We had a splendid program of games and other Scout features which were greatly enjoyed. We plan to pay a visit to one of our neighboring troops next week. Our troop is going after the winter selling tickets for Charles Crawford Goss's entertainments. That \$100 camp money looks good to us.

NO. 6-EDITH AVE. TROOP. Troop No. 6, of East Saint John, held their weekly meeting last Thursday, with Assistant Scoutmaster W. Woods in charge. We had a most enjoyable evening of Scout work and

games. We will hold a concert and candy sale in the United Church Hall, Oak avenue, on Tuesday, the 26th, and are delighted to see all Scouts present who can possibly be there. This concert will be in aid of the camp funds of Troop No. 6, and we hope our brother Scouts will do a good turn by giving us their patronage. A splendid program has been arranged.

NO. 9-THE KIRK PACK. At Thursday evening's meeting of the Kirk Pack 22 boys were present, as well as a full staff of leaders. The meeting opened with the grand howl, the flag, and O Canada. Followed by hearty sing-song, at which one of the A. C. M's introduced a new song which was very well received. During the instruction period four Cubs passed First Star tests, while six Cubs made real progress on the Second Star work, especially in signalling. Next week we will have some additional signalling flags, and will make even more progress in this line. The skiers and second class Scouts will also make considerable progress. The pack is very enthusiastic, and their desire to advance the pack a success makes the work of the leaders much more enjoyable and easier.

During the games period the other A. C. M's introduced a new game which proved very popular with everyone. We now have 29 regular members and are starting to make good headway. We are now starting our cubbing in earnest. The meeting closed after the pack and the pack yell in every sense of the word.

NO. 7-STONE CHURCH. At this week's meeting of St. John's (Stone) Church Troop a delightful display was given in District Scoutmaster O. J. Lawson, who gave a very interesting talk after the opening ceremonies. Among other things, Mr. Lawson congratulated us on having such a splendid attendance of 18 members and on the fact that our meeting got away right on the minute. This is a Scout feature which we think should be particularly emphasized, the habit of doing things on time. We were very much interested in Mr. Lawson's address and thanked him heartily for his scinty praise and advice. We are going to make an effort to get more of our Scouts into uniform and hope to make some real progress along these and other lines.

NO. 7-STONE CHURCH JACK. Nineteen boys and five Scout instructors were present at Tuesday's meeting of Stone Church Jack. The entire evening was taken up with preparations for next Tuesday when we will be hosts to No. 21. George's pack who are coming to visit us on that day. We plan to start the evening with a splendid supper and other good things to eat, after the supper there will be an invigil and presentation of hard earned badges. We really are looking forward to this event with much pleasure.

NO. 5, ST. JUD'S PACK. The Cub meeting of St. Jud's pack on Wednesday evening opened at 6:15 with A. C. M. D. A. MacLennan in charge. The program was very interesting, with Rev. J. H. A. Holmes, honorary cubmaster. We wish to announce to the troops, packs and chapters of Saint John's that a pack of boys will be held in St. Jud's Sunday school on February 8 and 9. The program will be a regular one, with motion pictures, Scout and Cub slides, with Rev. J. H. A. Holmes announcing and explaining.

Social Notes of Interest

Mrs. Hedley C. Wilson received for the first time since her marriage at her residence, 25 Pitt street, yesterday afternoon from 4 until 6 o'clock. Choice spring blossoms decorated the reception room, where the bride, wearing a smart frock of mauve flowered georgette with touches of green and carrying Ophelia roses, was assisted in receiving her many callers by her mother, Mrs. J. A. Campbell, and her husband's mother, Mrs. Wilson. Mrs. Campbell wore a gown of black Canton crepe with lace trimmings and Mrs. Wilson was in navy blue crepe de chine embroidered in steel beads. Miss Maud Reticall conducted the visitors to the room, where the prettily arranged table had for decoration a silver basket of Ophelia roses and silver candelabra containing yellow candles. Mrs. Ralph C. Bannell and Mrs. Kellie Wilson presided and were assisted by Mrs. Kenneth Cairns, Miss Margaret Dunlop, Miss Dorothy Sinclair, Miss Bertha Campbell, Miss Constance Campbell and Miss Margaret Rockwood. Little Margaret and Betty McGiffin assisted the hostess at the door.

Mrs. John W. Vanwart and her daughter, Mrs. George T. Polley, were the hostesses at a largely attended and very enjoyable tea at their residence, 1404 Cloutier street, yesterday afternoon. The drawing room was artistically arranged for the occasion and had daffodils, narcissi and potted hyacinths for decoration. Mrs. Paul Cross presided and conducted the evening. The guests to the dining room, where the tea table, adorned with pink roses in silver baskets and pink candles in silver candelabras, was presided over by Mrs. S. S. Poole and Mrs. W. A. Nicholas. Assisting with the refreshments were Mrs. Claire Moty, Mrs. Everett Hunt, Mrs. Ralph Paine, Miss Helen Wilson, Miss Helen Marr and Miss Dorothy Hunt. Mrs. Vanwart and Mrs. Polley will entertain at the tea hour again this afternoon.

Mr. and Mrs. F. Curson Dobell, of Westmount, Quebec, who were married in Montreal on Wednesday afternoon, arrived in the city on Thursday and sailed yesterday for the S. S. Montclair for England and Europe to spend their honeymoon. The bride was Miss Sybil Robertson, daughter of the late Mr. and Mrs. James M. Robertson, and sister of Mrs. Angus McKay of Saint John.

Mr. and Mrs. W. R. Stewart, entertained at a very enjoyable bridge party at their residence, 5 Goodrich street, on Thursday evening. Prizes for the high scores were won by Mrs. Carl Fraser, Mrs. Hazel Machin, Mr. Palmer Kinsman and Mr. Frank Lewis. Mr. and Mrs. Stewart entertained at a bridge party at their residence, Goodrich street.

Miss E. L. Smellie, general superintendent of the city, returned from a trip to the city of Montreal, where she arrived in the city on Thursday morning and left last evening for Montreal. While in the city Miss Smellie was the guest of Mrs. George B. Hogan, Hagan street.

Dr. J. E. McIntryre, formerly of Saint John, will be here for a short time, having been deep regret of his serious illness at his home in Newtonville, Mass. Mr. McIntryre is a graduate of Acadia in arts and also of Harvard University in both arts and law and has until now practiced his profession in Boston. Recently Acadia College had conferred on him the degree of L.L.D. also.

Miss Helen Allison, accompanied by her father, Mr. Walter C. Allison, and Mrs. Allison, expects to leave on Wednesday for New York from which port Miss Allison will sail on February 2 on the S. S. Rotterdam for a Mediterranean cruise. Miss Allison will accompany her aunt, Mrs. Bonack, of St. Louis, Mo.

Mrs. W. E. Gunter, of Gaspé, Quebec, formerly of Fairville, and Miss Dorothy Gunter are registered at the Adair Hotel and are making a short stay in the city en route to Montreal where they will be joined by Mr. Gunter and will proceed to New York.

Mr. and Mrs. J. A. Boyd, German street, returned last week-end from a month's trip to Florida.

Miss Helen Morrison, who has been the guest of Mr. and Mrs. Phil, at Hamilton, returned for several weeks, returned home yesterday.

Miss Margaret Edgar and Miss Margaret Edgar, who are making a short stay in the city en route to Montreal where they will be joined by Mr. Gunter and will proceed to New York.

Mrs. Frank T. Mullin entertained at her residence, Padlock street, on Wednesday evening for the Saint John Chapter of the Mount St. Vincent Alumnae, Halifax, to meet a new member, Mrs. F. J. Byrne, who has recently come to the city to reside.

Miss Margaret Jack, of St. Andrews, is visiting a short time in Saint John before returning to Quebec.

Mr. A. G. Staples, of Saint John, has been spending the week with his son, Mr. Charles E. Staples, and Mrs. Staples, at St. Stephen.

Mrs. Edward Murchie returned to St. Stephen on Thursday after a pleasant visit with her daughter, Mrs. Allen Beaty, at Saint John.

At the residence of the officiating minister, 97 Lancaster street, West Saint John, yesterday, the marriage of Miss Agatha May Murphy, daughter of Mr. and Mrs. Charles B. Murphy of Diamond, Maine, and Miss Arthur Fowler, son of Mr. and Mrs. Joseph Leslie Fowler of Greenbush, Me., was quietly solemnized by Rev. James Dunlop, pastor of the Central Baptist church.

A PHYSICIAN says the Charleston is an excellent cure for rheumatism. Also, we suppose, the old fashioned way of curing a corn by cutting off the toe is as effective as ever.

I. O. D. E. Offering Prizes For Various Writing Competitions

The National I. O. D. E. prizes for a short story, a one-act play and for a Christmas card competition, have just been announced. A prize of \$200 is being offered by Mrs. R. M. Wood, of Vancouver, for a short story of not less than 2,000 and not more than 6,000 words, preferable dealing with Canadian life.

Competitors must be British subjects resident in Canada, and the story may be written either in French or English and typewritten.

A prize of \$100 is offered by Mrs. MacKintosh, of Montreal, for a one-act play the presentation of which should not occupy less than 15 minutes and not more than 40 minutes. The same regulations govern the competition for the one-act play as are given for the short story.

CHRISTMAS CARD CONTEST

The Christmas card competition is the result of the conference of educational secretaries at a meeting of the provincial chapter of Ontario when the importance of supporting Canadian artists and of buying Canadian made Christmas cards, was discussed.

Mrs. S. T. Cret, of Beamsville, Ont., is offering \$100 for a Christmas card design and the competition is open to all British subjects resident in Canada and the design is to include a sketch in color for the outside of the card, and words of greeting for the inside. This competition will close on Feb. 1, 1926.

MUSIC FROM AIR

LONDON, Jan. 23.—London artists are broadcasting from airplanes.

Women Dispose

Of this new hygienic pad as easily as tissue—no laundry

COUNTLESS women have discarded old-time "sanitary" pads for a new and better way.

A way that offers far greater protection. A way, too, that banishes the old-time problem of disposal. Eight in 10 better-class women now use "KOTEX."

Discards as easily as a piece of tissue. No laundry. No embarrassment.

Five times as absorbent as ordinary cotton pads.

Deodorizes, thus ending ALL danger of offending.

Obtainable at all drug and department stores simply by saying "KOTEX." You ask for it without hesitancy.

Package of 12 costs only a few cents. Proves old ways a needless risk. In fairness to yourself, try it.

KOTEX No laundry—discard like tissue

Your WASH will be returned SNOWY WHITE

HER PART OF THE WASHING IS PLEASANT When we do the washing all the good wife has to do is iron clean clothes—snowy white.

HOW WEAK GIRLS MAY GROW INTO STRONG WOMEN

The Blood Supply Must Be Kept Rich and Pure—Good Blood Means Good Health—Dr. Williams' Pink Pills Makes Good Blood.

Healthy girlhood is the only path to healthy womanhood. The merging of girlhood into womanhood lays a new tax upon the blood. It is the overtaxing of the scanty blood supply that makes growing girls suffer from all those headaches, aches and backaches—all that paleness, weakness and weariness—all that languor, despondency and constant ill-health.

Unhealthy girlhood is bound to lead to unhealthy womanhood and a life of misery. Nothing but the bloodbuilding qualities of Dr. Williams' Pink Pills can save a girl when she undertakes the trials and tasks of womanhood. That is the time when Nature makes new demands upon the blood supply. Dr. Williams' Pink Pills actually make these new demands with ease. In this simple, scientific way Dr. Williams' Pink Pills fill a void with overworking health and strength.

Here is a Bit of Proof. Miss Mary Venditt, Catamount, N. B., says:—"Three years ago while attending a convent, I studied very hard to graduate. The result was I became very nervous and got so thin and pale my teachers thought they would have to send me home. I took different kinds of medicine which my parents sent me, but my condition remained unchanged. At last one of my teachers gave me a box of Dr. Williams' Pink Pills, and I had hardly finished it when I could feel an improvement in my condition. I continued the use of the pills for some time longer, and I can hardly tell all the good they did me. I gained in strength and weight, and the color returned to my cheeks, and at the end of the term I graduated. I never fail to recommend Dr. Williams' Pink Pills to my friends and acquaintances when a tonic is needed."

Was Terribly Run Down. In almost every neighborhood you will find some formerly ailing girl who has a good word to say for Dr. Williams' Pink Pills. Among them is Ida M. Withrow, Hardwood Lande, N. S., who says:—"Dr. Williams' Pink Pills did more for me than all the other medicine I took, and I cannot praise them too highly. When I began the use of the pills I was in a terribly run-down condition, very thin and very pale. My appetite was gone, and I had a tired, worn-out feeling all the time. Doctors' medicine did not seem to improve my condition, and I was getting greatly discouraged when a friend advised me to give Dr. Wil-

liams' Pink Pills a trial. After some urging I decided to do so. After taking six boxes I felt like a new person. My appetite returned, and I had a good color, and an improved appetite, and the constantly tired feeling that had made me feel like a new person was gone. I took a few boxes more before I felt better, and by that time I had never felt so well in all my life. I shall always feel grateful to Dr. Williams' Pink Pills, and I can recommend them to those who are run-down."

Always Weak and Tired. Anemia is simply a lack of blood. It is one of the most common ailments at the same time most dangerous troubles from which growing girls suffer. It is common because the blood so often becomes impoverished during development, when girls often overwork and overstudy. It is dangerous because of the stress of its approach and because of its tendency to grow steadily worse. Every growing girl should occasionally take a tonic to ward off this insidious trouble. It is because of their powerful action in rebuilding the blood that Dr. Williams' Pink Pills have made a world-wide reputation. The case of Miss Claire Sullivan, Pineau Creek, Alta., amply proves the value of this medicine. Miss Sullivan says:—"During my school days I suffered greatly from thin, watery blood. I was constantly weak and tired; my appetite was poor, my sleep unrefreshing and I was troubled with backaches. No one matters worse. I was attacked with acute appendicitis and the operation left me in a very weakened state. My mother, learning of the value of Dr. Williams' Pink Pills, had me take them and after using them for some time I can say the result was simply wonderful, as they completely restored my health, and now when opportunity occurs I always recommend these pills to weak, pale girls suffering as I did."

Pale and Sickly Looking. When the blood is thin every organ of the body suffers. So anemia shows in indigestion, nervousness and headaches as well as in loss of color and strength. The quickness with which a supply of rich, red blood will drive away all these pains and aches is shown by the result of treatment with such a reliable blood-building tonic as Dr. Williams' Pink Pills. The value of this medicine is fully proved by the experience of Miss Alice Sandberg, Ogema, Sask., who says:—"I can speak with the highest praise of Dr. Williams' Pink

Pills, for this medicine I owe my present good health. Last winter I became run-down, was pale and sickly looking. My back ached and I had severe pains in the stomach. At times my head ached and I would feel dazed, tried various medicines but they did not help. A friend advised me to take Dr. Williams' Pink Pills, and I can scarcely say how glad I am that I acted on this advice. I had not been taking the pills very long when I felt a change for the better. Day by day I became stronger, the headaches, backaches, stomach troubles and dizziness disappeared. I was again enjoying good health. You may be sure I shall ever have a good word for Dr. Williams' Pink Pills."

Had Pains in the Side. Thin, pale girls lack the power of resistance to disease that rich, red blood does. Nervous breakdown is the result of thin blood. So is indigestion, headaches, backaches and many other troubles. Girls suffering from thin, impure blood need just the help Dr. Williams' Pink Pills can give. They actually make new, rich red blood which imparts new vigor and life to all the organs of the body. This is proved by the experience of Miss Sarah A. McEachern, R.R. No. 8, Brule, N. S., who says:—"About three years ago I became very weak and nervous. I had frequent pains in my side and back. I also had frequent pains in the back of my head and neck. I was very pale and very weak. I had attacks of nervous irritability, and at times I was so nervous that I seemed hardly worth living. While in this condition a friend strongly advised me to take Dr. Williams' Pink Pills. I began taking these pills and used them about two months with the result that there was such an improvement in my condition that I felt I was only too glad to tell them to my friends. Dr. Williams' Pink Pills. I am now enjoying good health and am glad to give this statement for the benefit it may be to some other sufferer."

Keep Your System Toned Up. Try Dr. Williams' Pink Pills for anemia, rheumatism, neuralgia, nervousness. Take them as a tonic if you are not in the best physical condition and cultivate a resistance that will keep you well and strong. Get a box of Dr. Williams' Pink Pills and begin this treatment now.

You can get these pills through any medicine dealer or by mail at 80 cents a box from The Dr. Williams' Medicine Co., Brockton, Ont.

Rothsday

ROTHSDAY, Jan. 22.—Mr. Hugh Mackay arrived home Wednesday from a trip to New York.

Those from the Rothsday Red Cross who attended the annual meeting of the New Brunswick division of the society in Saint John, Wednesday, were Mrs. Walter C. Allison, Mrs. J. Royden Thompson and Miss Hensche. They were accompanied by Mr. Percy Fairweather. They also visited the Saint John County Hospital where delegates were entertained by Dr. A. E. Farris, superintendent, at afternoon tea.

Mrs. H. W. Schofield has been spending a few days in Saint John with her mother, Mrs. A. E. Farris.

Members of the Girls Bridge Club which meets Friday evening, were last week entertained by Miss Barbara Fairweather.

The Senior branch of the Women's Auxiliary met Monday evening at the society. The hostesses were Mrs. Alfred Thompson and Miss Hensche.

Miss Josephine Morrison spent Thursday with Mrs. Eustace Barnes, County Clerk Heights, Riverview. Miss Morrison, who spent the Christmas holidays with relatives in Saint John, expects to return to her nursing duties at Miramichi.

Guests of Mrs. J. Royden Thompson on Thursday were Mrs. James P. Robertson and Miss Hooper, of Saint John, and Mrs. E. E. Fudington, Miss Anne Puddington, Mrs. Allan W. Daniel, Mrs. W. J. Davidson, Mrs. John M. Robinson and Mrs. H. F. Puddington.

For the Netherwood teachers Miss Pitcher entertained a few Rothsday friends informally at the tea Tuesday afternoon.

Miss Alice Longley, of Saint John, who spent a few weeks, including Christmas and the New Year with her niece, Mrs. A. W. MacKinnon, has returned home.

Mrs. Charles FitzRandolph, of Fredericton, has been spending a few days in Rothsday with Miss Mabel Thompson.

CRAZE FOR SPANISH. PARIS, Jan. 23.—There is a craze now for all things Spanish, ranging from modified bull fights to high combs. Spanish are more popular than ever, with mantillas in the evening. Fans are to be seen almost everywhere.

Weddings

Fowler-Murphy. At the residence of the officiating minister, 97 Lancaster street, West Saint John, yesterday, the marriage of Miss Agatha May Murphy, daughter of Mr. and Mrs. Charles B. Murphy of Diamond, Maine, and Miss Arthur Fowler, son of Mr. and Mrs. Joseph Leslie Fowler of Greenbush, Me., was quietly solemnized by Rev. James Dunlop, pastor of the Central Baptist church.
