

TWO SAINT JOHN MEN SPEAKERS

Hon. L. P. D. Tilley and R. G. McInerney in Moncton

Support Candidature of Dr. O. B. Price For Westmorland County Seat.

MONCTON, Oct. 22.—A meeting in the interests of Dr. O. B. Price, the conservative candidate in Westmorland county, was held tonight in the City Building with Capt. J. E. Masters in the chair.

Dr. Cochran stated that what the country needed was tariff stability since under the tinkering of the tariff by Mackenzie King and his threats of greater reductions industry was being stifled and enterprise hindered.

HON. MR. TILLEY. Hon. Mr. Tilley said Westmorland county was a wonderful county. While he was not aware of all the manufacturing in the county he did know that the county manufactured more senators than any other county in the Dominion of Canada.

In choosing Hon. A. J. Leger. (Applause). Also in Hon. E. Albert Kelly, the county could have sent no more worthy representative.

TRIBUTE TO MCINERNEY. Mr. Tilley also paid a tribute to Ralph McInerney as a worthy representative of the younger Conservatives of Saint John.

Mr. McInerney spoke on the tariff question. He contrasted the policies of Premier King and Hon. Mr. Meighen, contending that it would be better for the Maritime Provinces if the latter were Premier.

He said Hon. Mr. Foster would be Secretary of State for just one week more. (Laughter and applause).

Mr. McInerney urged the electors to send a Maritime Conservative bloc to Ottawa. In conclusion he said Dr. O. B. Price would make a splendid representative for Westmorland at Ottawa.
