LAST CAR CLUB.

Mrs. Thos. Sibley and Mr. Roy were the winners at progressive whist at the play of the Last Car Club last evening at the home of Mrs. Thos. Draycott, 14 Durham street. Consolation prizes went to Mrs. Nickson and Mr. Caddell. Dainty refreshments were served by the hostess, Mrs. Draycott, and all had a most enjoyable evening. Two members were added to the roster of this popular social club.

BURIED ON TUESDAY.

The funeral of Mrs. Catherine McColloom took place from her late residence, Eastmain, at half-past two on Tuesday afternoon, and was largely attended. A very impressive service was conducted at the house by Rev. R. T. McKim, assisted by Rev. Mr. Haslam and the choir of St. Bartholomew's church at Coldbrook. The flowers were many and showed the esteem in which Mrs. McColloom was held. Interment was made in the Methodist cemetery.

SIMONDS COURT.

Through the efforts of Councillors Donovan and Dalzell arrangements have been made to hold the police court for the Parish of Simonds in Peck's Hall at East St. John. This was decided upon on account of the fact that the holding of the court at Coldbrook has been difficult for the attendance of the county policeman and for the bringing of prisoners before the court in the evening. An effort is being made to hold morning sessions.

FORTY HOURS CLOSED.

The solemn closing of the Forty Hours Devotion took place in St. Peter's church last evening. His Lordship Bishop LeBlanc officiated and was assisted by Rev. George Daly, C. S. S. R., Rev. Peter Costello, C. S. S. R., Rev. James McCandlish, C. S. S. R., and Rev. Dennis Coll, S. S. R. Following the chanting of the litany, a procession took place, the priests, altar boys, novices, children and men of the parish participating. The church was crowded to capacity.

DIED IN PORTLAND, ME.

The latter will leave this evening to attend the funeral.

PORTLAND METHODIST S. S.

A meeting of the officers and teachers of Portland Methodist church Sunday school was held last evening in the Y. M. C. A. hall. The superintendent, S. A. Kirk, was in the chair. Prayer was offered by F. S. Thomas. A report of the Sunday school conference held recently was given by William Wright. The report of the summer picnic was given by the secretary, Frank Merrill. A new picnic committee was appointed as follows: Charles McCall, Miss Marie Peris, Miss Gertrude Willis, Robert Maxwell, John Howe and A. W. Lingley. Much enthusiasm in the work of the school was manifested at the meeting.

BURIED TODAY.

Interment was in the new Catholic cemetery. The funeral was attended by many and the floral and spiritual offerings were numerous.

The funeral of Thomas Edwin Robinson was held this afternoon from his late residence, 86 Kennedy street, to Fernhill. Members of the Foresters and the Knights of Pythias attended the funeral. Rev. R. A. Armstrong conducted service at the house, and James Moulson conducted the Pythian burial service at the graveside.

THE COMMUNITY CHORUS A SUCCESS

About 120 Singers Assembled Last Evening—Community Orchestra Now Planned.

In conversation with F. J. Punter, secretary of the St. John Community Festival Chorus, he said that there was an attendance of about 120 singers at the second rehearsal of the chorus which was held last evening at the Central Baptist school room, and never had he remembered so much genuine enthusiasm. The hour of starting is eight o'clock and 7.30 for sight reading instructions, but before 7.30 there were more than sixty members seated waiting for a good start, and quite a number of new members from east and west St. John.

There were also a few visitors, and one was heard to remark that never had he heard a better balanced body of tone or seen greater possibilities for an excellent winter work than last night, nor more intelligent interest. Mr. Punter further said that the sight singing class was proving to be of great benefit to all, which was proved by so many arriving well ahead of the appointed time. During a short intermission an original poem, entitled "The Good Old Days," and dedicated to the chorus, was read by Miss Elizabeth Good. Her fine work was greatly enjoyed by the audience. It was planned to close the meeting at 9.30 but the chorus would insist on singing until ten o'clock. At the close of the rehearsal Mr. Brander announced that next Tuesday's rehearsal would be the last night on which new members would be received, as the chorus would be hard at work on the programme of their first concert which is planned for early in January.

A Community Orchestra.

Owing to the repeated requests that have been coming in for the organization of a community orchestra, A. U. Brander would like any players or instruments who would like to join such an organization to write him, stating what instrument they play and also their proficiency and experience. Then he would arrange for place and date of meeting. Mr. Brander is an old orchestra man, and has had two years experience as first violin in a sixty piece symphony orchestra.

SOLDIER HIKER HERE.

W. H. Coulter, a former member of the 1st Battery, C. F. A., who is on his way back to Ottawa after hiking from Vancouver to Halifax. He is endeavoring to obtain publicity concerning an unjust punishment which he alleges was inflicted while he was in the army.

PORT WORKERS WHO WILL NOT BE ABLE TO VOTE

Men Who Worked in Montreal and Quebec in Summer Cannot Register Here—The Status of College Students.

Port workers, railway and steamship employees whose permanent homes are in St. John, but who have been in Montreal and Quebec all summer, will find themselves unable to vote if they happen to be in St. John for the winter port work on December 6, election day, according to Hon. J. R. Armstrong, registrar for St. John. Judge Armstrong said this morning that according to the act, an applicant's name cannot be registered on the voters' list unless he was residing here for two months prior to October 8, the date on which the writ for the election was issued. Application for registration on behalf of two men coming within this class was made here today and the registrar refused to accept their names.

Asked regarding the status of college students, Judge Armstrong said the same rule would apply. If they were attending college on election day and had been there for the two months previous to October 8, they could register to vote in the constituency in which the college is situated, but it would be impossible for them to cast their ballots in their home constituency.

Several names were added to the list this morning. An application for a man resident in Kings county, but doing business in the city was refused. He was instructed to register in Kings county.

WHEN CANDIDATE WILL LOSE DEPOSIT

In St. John-Albert This Will Happen if Loser Has Less Than Half Lowest Victor.

Ottawa, Nov. 16.—(Canadian Press).—In view of the elections, the multiplying of candidates in many constituencies and the greater possibility of deposits being garnered into the company's exchequer, it is timed to recall the operation of the Dominion Elections Act in this regard.

Every candidate for federal honors in the present campaign must, when he hands his nomination paper to the returning officer of his constituency, see that the papers are accompanied by \$200. This is the "deposit," and its purpose is to prevent irresponsible persons from securing nomination. This is not returned to a defeated candidate unless he polls a number of votes equal to half the votes secured by the candidate elected.

It is likely that in many of the constituencies where three or more candidates are running, one or more will poll less than half the votes polled by the winner.

In the case of the two-seated constituencies, of which there are five, the deadline has been placed at half the number of votes polled by the lowest victorious candidate.

VALINDA HAS BEEN RAISED

Word was received in the city this morning from Heber Vroom, regarding the sunken steam packet Valinda. Mr. Vroom states that the vessel was raised yesterday, and that the cargo is being discharged at Bridgetown. It was expected that the vessel would be towed to Bear River today, and a survey will be made. According to Mr. Vroom's letter it is not likely that the vessel will be a total loss as she does not seem to be badly damaged. Mr. Vroom will return to the city tomorrow.

WEST END LOOP LINE

Percy W. Thomson, manager of the N. B. Power Company in conversation with a Times representative this morning, said regarding the loop line in West St. John, that he sincerely regretted being unable at the present time to place cars on that route. He said he would willingly do so for the convenience of the people upon certain conditions even though the service was an unprofitable one. At the present time, he said, there were three or four crossings in very poor condition and in order to resume a service new diamond crossings would have to be procured. This he said he would do if it were not for the fact that the city officials to stop the spasmodic street service there and if the city would take over the upkeep of the section on Rodney wharf.

MONTREAL STOCK EXCHANGE.

Montreal, Nov. 16.—(10.30)—Practically no trading occurred on the local stock exchange during the first half hour this morning. Abitibi was fractionally weaker at 32, while Breweries was fractionally stronger at 37. Atlantic Sugar and Klondike were both unchanged at 32-1/2 and 6 respectively.

A B C

Electric Laundress

WASHES • WRINGS • IRONS

This last word in wash-day equipment should find space in every home in St. John.

At best, wash-day is a burden. Wringing clothes the old way harks back to pre-historic times and ironing not only is hard work, but with the A. B. C. Electric Laundress available it is wholly unnecessary.

The A. B. C. has so many points of superiority; it is such a peer in its field that space is here wholly inadequate to attempt a satisfactory and just description of the machine.

Come in person. See it work yourself. See how easy and economical it is to operate. You'll eventually get one. You'll have to inspect it some time. Do it now. No obligation entailed in the least by your call.
